Rabbi Stresses True Meaning of Brotherhood

The lack of education and understanding is the primary cause of prejudice in the world today, St. Louis Rabbi William J. Gordon, told Granite City Kiwanis Monday evening. "Intelligent people sit down to discuss problems and beliefs as brothers, not brothers-in-law," he commented.

Rabbi Gordon, assistant Hillel director at the B'nai B'rith Hillel Foundation at Washington University, St. Louis, addressed the local men's service club in observance of "Brotherhood Week."

The dinner meeting was held at the Rose Bowl restaurant, Bonard Maple introduced the speaker.

Basing his talk on two Commandments, "Thou shalt love the Lord thy God with all thine heart, and with all thy soul and with all thy mind," and "Thou shalt love thy neighbor as thyself," the St. Louis religious leader said, "If we practiced these great Commandments and have respect for our fellow man, our problems would disappear."

"The reason we are not capable of loving our neighbor is because we do not love ourselves. If we cannot truly express the feeling for another man's dignity, we should try to respect the pride and dignity of others. He was created by the same God."

"Those who poke fun at someone else's expense lose all meaning of humor and fun," the speaker said. "God's Kingdom is here on earth, both heaven and hell. If we live together, get along together we will find heaven here on earth. 'As long as one person bears prejudice against another we can never attain true happiness.'"

Public Dedication Of New Parkview School March 19

Plans are being completed for dedication of Parkview grade school, 3200 Maryville road, at 2 p.m. Sunday, March 19, Sept. R. J. Davis has announced.

Residents of all parts of the Granite City community up to school district are to be urged to attend. District-wide dedication of the new high school cafeteria building is planned for a later date, not yet determined.

Parkview school was placed in operation this fall and serves an enrollment of 400 kindergarten through sixth grade pupils. It is adjacent to Worthen Park, and school and park facilities are shared by the two districts. Mrs. Agnes Fryntz is principal.

A brief dedicatory program is planned, after which members of the Parkview Parent-Teacher Association will guide visitors on a tour of the building and then see color women's collection programs relating to the occasion are being prepared by the school system.

Another 1-Way

pavement eastbound. The recommendation was delayed until the connecting roadway between the two pavements is completed at Maryville road. Stop and yield control changes also are contemplated.

Expansion of the parking meter area in the vicinity of St. Elizabeth Hospital also was suggested with meters on the south side of 21st street from Johnson avenue to the alley east of Iowa street and on the north side of 21st from Madison avenue to the same alley.

Another meter could be placed on the west side of State street south on 19th street where an 85-foot bus zone exists, but only a 50-foot zone is authorized.

On the removal of illegal parking meters in the downtown district where the meters are too close to stop signs or intersections, the commission has the matter under study.

Commissioners said the proposal for painting left turn lanes on 20th street and Johnson avenue could create a hazard by merging traffic. With a daily traffic count of 26,717 vehicles, it was suggested a study made by a qualified traffic engineer.

Suggest Professional Aid
Professional advice also was suggested for the installation of electric traffic signals in the vicinity of St. Elizabeth's parochial and the Nameoki public school.

It was noted the professional engineer, before being dropped by the city, was planning signals at Pontoon and Johnson roads.

"The proposed school signals at St. Elizabeth school may cause further congestion at the intersection of Johnson and Pontoon roads," the commission stated, pointing out that signals at Pontoon and Johnson road, supplemented by a crossing guard, could possibly provide a better solution.

"Temporary or permanent walks could be installed on the west side of Johnson road from Amos to Pontoon and on the south side of Pontoon road from Johnson road to the school entrance.

"The present crossing at Amos avenue is unsatisfactory, since it leads into or adjacent to the school drive and there are not sidewalks," the report concluded.

Opposition for Most Offices

Filing Ends for April 18 Muny Elections

Spirited political campaigns for the April 18 city elections in Madison, Venice and Pontoon Beach were shaping up today with opposition candidates bidding for city offices in all three communities.

The filing period for city and village elections except Granite City whose election is held on April 4 ended Monday with two complete tickets in the running in Pontoon Beach, one five-man ticket and four independents seeking five aldermanic posts in Madison, and one full ticket and two independents contending for five aldermanic posts in Venice.

The most heated campaign battle is expected in Pontoon Beach where two incumbent members of the village board will fight it out for the mayor's office. They are Thomas Staicoff, incumbent mayor, and Edison Phelps, now city clerk, both of whom were elected to their respective offices when the village first was formed four years ago.

"Off-Year" Election

In virtually all other cities and villages throughout Madison county, this year's April 18 election is considered an "off-year" city election because only half of the boards of aldermen are to be elected. Mayors, city clerks and the other half of the aldermanic boards were elected in 1965.

This is not the case in Pontoon Beach because the village was organized four years ago and this year marks expiration of the first four-year terms of officials elected when the village was established in 1963. Pontoon Beach has a "village board" consisting of the mayor and six trustees, with three of the trustees elected every two years.

The village board membership also includes a village clerk.

In the approaching contest for Pontoon Beach offices, Phelps is seeking election as mayor at the top of a ticket of candidates including Floyd Aspfly, 483 East Lake drive, for clerk, and Harold McBride, 418 South drive; Clyde Bradshaw, 29 Pontonville; Gerald Warren, 4142 East Lake drive, for the trustee posts.

Second Ticket Running
These candidates will oppose Staicoff, seeking re-election as mayor at the head of a ticket including Mrs. Nancy Rosales, 405

Lake drive, for clerk, and Roswell Bentler Jr., 424 South drive, for trustee.

A similar situation exists in Venice, although only two independent candidates filed there.

Includes Two Incumbents
The city hall organization spearheaded by Mayor John E. Lee, filed a ticket for all five aldermanic posts open to election this year, and only two members of that ticket are incumbent aldermen. Venice this year will elect four aldermen to regular four-year terms, and one additional alderman to fill a two-year unexpired term.

Seeking election to the four-year terms on the city hall ticket, which was filed as the Citizens' Progressive Party, are Lloyd H. Patterson, 1018 Second street, First Ward; George A. Mangiaracino, 1310 Oriole street, Second Ward; Louis B. Ratliff, 807 Mercedia street, Third Ward, and Oscar King, 39 Weaver street, Fourth Ward. Mangiaracino and King are incumbents. Fifth candidate on the city hall slate is John Ervin, 1212 Logan street, who is running for the two-year unexpired term left vacant by Rinnie J. Wince, who

moved out of the city last November.

Filed Last Saturday
The city hall slate filed nominating petitions with City Clerk William "Mike" Ebersold last Saturday. The two independent candidates include John A. Mangiaracino, 1004 Third street, as candidate for alderman in the First Ward, and Tyrone Echols, 163 Viola Jones homes, for the Fourth Ward. Mangiaracino, former Venice Alderman and a two-year illness. He had been a patient at the hospital since Dec. 5.

Grand Jury Recalled For Criminal Cases

The Madison county grand jury was recalled this week in Edwardsville to consider additional criminal cases which arose since it recessed on Feb. 3. Several are pending from the Quad Cities. Defendants include: Owen E. Hogue, 22, Willie Henderson, 18, and Fred Henry, 23, all of East St. Louis, charged in the \$154 holdup and beating of Mrs. Mildred Jennie of the Venice Gas & Oil Co. on Feb. 10.

Charles T. Howland, 23, of 1200

(rear) Rhodes street, charged with aggravated battery on the complaint of Mrs. Shirley Fairfield; and Billie Scarborough, 29, of 510 State street, Madison, charged with forgery early in February.

Other cases may include the beating of Pete Kladar, 40, a Wood River carpenter, in which two area men were involved last summer, and the court-ordered investigation of the handling of public and estate funds by former State's Atty. Joseph R. Bartylak prior to his resignation last Dec. 31.

MORE ABOUT SIU Center

Belleville, president of the SIU-SW Student Senate.

Other opening ceremony participants will be Dr. Delyte W. Morris, SIU president, John Morris, University Center Board president, and Executive Director Handy.

Ribbon Cutting by Queen
Miss Donna Yates of Edwardsville, 1966 SIU-SW Homecoming Queen, will be assisted by Pruitt and Cwan in cutting the ceremonial ribbon. Informal tours of the new center will begin at 11:45 a.m. with the snack bar and cafeteria open.

An exhibition of student crafts will be displayed in the Art Gallery and ceramics demonstrations are to be presented in the Craft Shop.

At noon, Singleton Palmer and His Disciples will perform in the Ranger Coffee House, followed at 12:15 p.m. with official opening of the center's 16-lane bowling facility.

About 175 persons are expected to attend the "Grand Luncheon" to be held in the River Room dining area at 1 p.m. Featured as the keynote speaker will be Howard Davis, former SIU director of student affairs, and now a professor of education at the campus.

Other Highlights
An exhibition billiards match featuring Champion Willie Mosconi and Bill Hendricks, will start at 1 p.m., and Mosconi will play against Frank Tullos at seven o'clock.

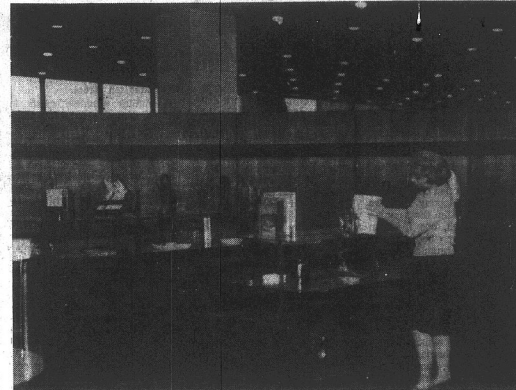

Classical guitarist Bill Montgomery, a professional entertainer, will present a special program in the Governor's Lounge, also at 1 p.m.

At 3 p.m., students and faculty may view a bowling exhibition, spotlighting Joe Joseph and Wally Link. Joseph also will be matched with Earl Exstrom for a 7 p.m. contest.

A leisurely hour may be spent in the Governor's Lounge between 7 and 8 p.m., when Barbara Streisand will be featured in stereo.

A "Folk and Fire" presentation from 8 to 9 p.m. will be given by entertainers, Roger Douglass and Becky Posnak. Mike and Val Smith and the Candy-Jean Trio. Music by Johnny Mathis and Nat "King" Cole will be heard in stereo from 9 to 10 p.m.

Those enjoying more active participation can dance to the music of Bob Kuban and the

RICH WALNUT PANELING in the campus book and supply store within the new \$5,000,000 center. Shown is Mrs. Florence Burnett, supervisor of the SIU-Alton Campus book store readying a display. University emblems, souvenirs, book-ends and other items will be sold in the new store.

In-Men starting at 8 p.m. in the old idea of waiting in line, students will pick their meals as they were in a supermarket.

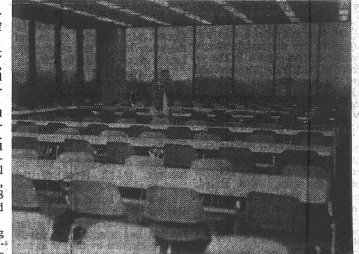

Many students are expected to gather in the Coshen Lounge at 9:30 p.m. for a cake cutting ceremony, presided over by Miss Judy Harris of Glen Carbon, vice-president of the Student Senate Board.

Planists Tom Waters and Bill Graebe will perform from 10 to 11 p.m. in the Governor's Lounge. Their concert, entitled "Piano Memories," will review melodies of the past decade. At 11 p.m., "The World's Greatest Themes in Stereo," will conclude the day's events.

Data on Center
The new University Center houses a cafeteria, dining room, coffee shop, browsing lounge, snack bar, 16-lane bowling alley, barber shop, art gallery and University store.

There are patio areas, one capable of seating 175 persons for outdoor dining when weather permits, a sunken garden and facilities for dancing and other student activities. Eight other rooms will double as conference rooms and additional dining areas.

Students will start Monday to use the new cafeteria, which will feature a "scramble" system of service. Designed to replace the

CONFERENCE ROOM for students and faculty members overlooks a 2600-acre wooded countryside at the SIU-SW Campus. It is one of several rooms available for meetings in the Students' Activities Section of the new University Center.

OPEN AIR DINING when weather permits is expected to attract many students to the patio area overlooking a wide expanse of lawn and sunken garden. Outdoor furniture in yellow and brown will accommodate 175 diners. Newly-seeded terraced area covered with burlap can be seen in the background.

BRIDE-TO-BE. Miss Susan Schwerfmann, a daughter of Mr. and Mrs. John Schwerfmann, 2013 Twelfth street, whose engagement to Joseph Burmeister, a son of Mr. and Mrs. William Hines, 1529 Fifth street, Madison, is announced.

Autumn Wedding Is Planned

Mr. and Mrs. John Schwerfmann, 2013 Twelfth street, are announcing the engagement of their daughter, Miss Susan Schwerfmann, to Joseph Burmeister, a son of Mr. and Mrs. William Hines, 1529 Fifth street, Madison. An early autumn wedding is planned.

Miss Schwerfmann was graduated from Teresa Academy, East St. Louis, and is presently employed at a St. Louis bank. Her fiancé attended the local schools and is employed by the Terminal Railroad Association in St. Louis. The wedding will take place early in the autumn.

CELEBRATES BIRTHDAY AT PARTY
The fifth birthday of Ruth Taylor was celebrated at a party given by her parents, Mr. and Mrs. Taylor, at their home, 2715 Angell drive. Present were Judy and Jason Taylor.

Preparations for the forthcoming hospital fund drive and scholarships for student nurses were the main topics at Monday night's meeting of St. Elizabeth Hospital Auxiliary.

The meeting at the hospital was attended by 28 auxiliary members and three guests, Mrs. Toni Strain, Mrs. Barbara Bell and Mrs. Rita Holbrook.

Sister Mary Thomas, hospital administrator, and Mr. and Mrs. Frank Wheeler, who are directing the hospital fund drive, explained the procedures and urged volunteers to go to the campaign office at 1529 Edison avenue, to assist in preparing for the solicitation.

Announcement was made of the dinner honoring Mrs. Catherine Michel, a member and former president of the Auxiliary, to be given by the Business and Professional Women's Club. Mrs. Michel will receive the award as the "Woman of Achievement in Business for 1967" on March 15 at the Rose Bowl.

As has been their custom, the Auxiliary members will sponsor \$500 scholarships for two nurses

in training, one for a graduate nurse and one for a practical nurse. The two are to be selected from Granite City high school and St. Teresa Academy, East St. Louis.

Mrs. Vera Caray, co-chairman of the coffee shop, asked for volunteers to work in the shop during the hours of 10:12 a.m. and 2-4 p.m. and also to handle the supply carts on the various floors. Miss Marie Zimmer, chairman of the ways and means committee, announced plans for several projects in the spring.

Mrs. Anita Brown was appointed treasurer to fill the unexpired term of Mrs. Rosina Mangiaracino; and Mrs. Catherine Pisel, director of volunteers, announced a meeting to be held March 9 at 7:30 p.m. in the hospital library.

Mrs. Linda Gonzalez reported 75 baby beds distributed to the mothers in the maternity department at Christmas and 50 more beds now ready.

Refreshments of coffee and pie were served to the members and guests by Mrs. Brown, Mrs. Irene Arguel and Mrs. Judy Moudrick.

Pythian Sisters Install Officers

Cascade Temple 216, Pythian Sisters, met Tuesday evening and installed the following new officers:

Mrs. Ella McKittrick, most excellent chief; Mrs. Eva Arbogast, excellent senior; Mrs. Julia Dudley, excellent junior; Mrs. Christine Barron, manager; Mrs. O. L. Hands, guard; Mrs. Olivia Lehman, treasurer; and Mrs. Nell Hutchison, secretary.

Mrs. Linda Schlingman, installing officer, was assisted by Mrs. Arbes, installing senior, and Mrs. Martha Montague, installing manager.

Plans also were made for an official visit of the district deputy March 14.

Golden Age Club Adds 3 Members

Seventy-five persons, including two guests, Mr. and Mrs. Edgar Padock, attended the pot luck dinner of the Kirkpatrick Homes Golden Age Club Tuesday in the recreation room of the project.

Three new members were welcomed. They were Mrs. Grace Felchlin, Mrs. Edith Stout and Mrs. Lizzie Champert.

David Morgan, housing director, gave the invocation, and during the business discussion plans were made for a bake sale March 18 at 8 a.m. at the A&P store.

The next meeting will be held March 14 at 1:30 p.m.

"BLUE FOREST," an abstract painting not yet completed, being shown by the artist, Mrs. Belle Cramer (left) to Miss Virginia Segar (center), art study chairman of the American Association of University Women, and Mrs. Ruby Foster (right), AAWU president.

Art an Adventure, Study Group Told

Past 90 years of age and still regarding each new painting as an adventure, Mrs. Belle Cramer is the latest artist whose creations have been added to those being studied by the Art Study Group of the Granite City unit of the American Association of University Women.

Her studio home in St. Louis is filled with oil paintings, etchings and wood prints dating back to 1906. Many of them have won awards, including one that was shown in the Library of Congress. She has had many one-woman shows in London, New York and St. Louis.

Urged to paint by her husband, Dr. William Cramer, a medical specialist and patron of the arts, she avoids limiting herself to any one particular style. A favorite device is to look for what is real in a subject and then transpose it, the study group learned.

She is convinced that art should express deep emotions; it should have something definite to say, and should be done with a suitable color relationship. There is no single "right way" to paint, in her opinion; what matters is that an artwork is done with skill, subtlety and sincerity.

She studied four years at the Edinburgh College of Art and continued her work in London and later with Paul Burlin at the University of California at Los Angeles. She has been a musician and is believed to be reflected in a spontaneous musical quality in her work. Her paintings hang in 70 St. Louis collections in museums and colleges from New York to Los Angeles.

Those participating in the study have included Mrs. Hugh Foster, AAWU president; Miss Virginia Segar, chairman of the Art Study Group; and Misses Lily Dod, Phyllis Reid and Marguerite Barker and Mesdames Alfred Pape, Helen Gantcheff, Charlotte Price, Dorothy Ruff and Edna Lynn.

Plans were made for a state board meeting March 12 in the River Room of Southern Illinois University-Southwestern campus with Beta Phi and Epsilon Eta chapters as hostess groups. A travel award will be given by the state president.

Also under discussion was a dance May 20 at the Polish hall, an Easter egg hunt March 18 for retarded children and a "Mad Hatter" party March 15.

The program at last night's meeting by Bill Waldheuser, meteorologist at the U. S. Weather Bureau in St. Louis, who spoke on "tornadoes." Fourteen were present.

Senior Citizens Plan Events

The Anchorage Senior Citizens met Wednesday in the recreation room of the project. This was the first meeting of the new year, due to extensive remodeling and enlarging of the room. Mrs. Charles Motts conducted the business session for 45 members.

Plans were made for a "Gospel Sing" at 7 p.m. March 10, a pot luck dinner at noon on March 15, a visit from the Salvation Army March 27 at 7 p.m., and a social meeting and celebrating of birthdays March 22 at 2 p.m.

The members voted to retain the present staff for another year.

The general chairman this year is Mrs. Kathy Gocian. She is being assisted by the following committee chairmen: Mrs. Edna Wyatt and Mrs. Ann Buach, stage; Mrs. Helen Parsch, music; Mrs. Mary Schaefer, script; Miss Flora Mae Lansing, usherettes; and Mrs. Kay Reel, publicity. Mrs. Rena James is president of the group.

Tickets may be purchased from any club member or at the door the evening of the performance.

Trojans Survive Close Game, Play GC Tonight

Trailing by 14 points as the fourth quarter began and still five points behind with only 23 seconds remaining, the Madison Trojans made a near-miraculous escape to defeat Roxana 76-73 in their initial regional game Tuesday night. The "Houdini act" left fans and players hoarse and exhausted at the finish.

Perhaps moving "out of the frying pan and into the fire," the Trojans advanced to a semifinal clash tonight with the only team to beat them this season, Granite City. The occasion will afford an opportunity for Madison to avenge the 59-47 defeat administered on the GCBS court Feb. 7.

Tonight's 8 o'clock game will be played at the Edwardsville high school gymnasium.

Midwestern Conference champions, the Trojans with ease had twice defeated the taller Shells, who finished in a three-way tie for second place in the same conference.

Foes Show Improvement
But Madison was "cold" in its shooting as the quarterfinal con-

test began. The much improved Shells, using a 2-1-2 zone pattern, grabbed a 17-12 first-quarter lead and continued to lead in the second period.

Basketballers by the Trojans Neal Podoba, Tom Weston and Gary Lusk finally put Madison ahead 29-27.

Two consecutive offensive fouls gave the Shells enough charity shots to edge ahead 31-28, and another basket by Shell Dick Dona expanded the lead to 33-28.

The Trojans countered and Podoba went up the middle for a layup that tied the score at 33-33.

35-33 at Halftime
With two seconds remaining in the first half, Dona sank a long shot, ending the half with the Shells ahead, 35-33.

The third period opened with the Trojans sinking a field goal. Shell Charles Nunn sank one out of two charity tosses, breaking the tie, but Podoba tied it again at 36-36.

Shell Dona sank a 20-foot field goal and was fouled, making it a three-point play. Trojan Jay Collins rebounded a Trojan attempt to cut the Roxana lead to 38-36, but Roxana then began to pull away.

Trojans Trail 61-45
With five minutes remaining in the third quarter, the Shells had expanded their lead to 48-40. Dropping in numerous free throws, they built their advantage to 61-45 with 1:15 left in the period.

In the last second, Trojan Ron Burt netted a 20-foot shot, cutting the deficit to 61-47.

The fourth period began with Madison intensifying its attack. Trojan Tom Weston stole the ball but failed to score, and Roxana did the same. Burt sank a jump shot but was ruled to have been "travelling."

Podoba stole the ball and attempted a layup, being fouled and meshing one of the two charity shots. With 6:50 left in the

game, Weston grabbed the ball and was fouled by Nunn. The Trojans tossed in the ball but lost possession on a violation.

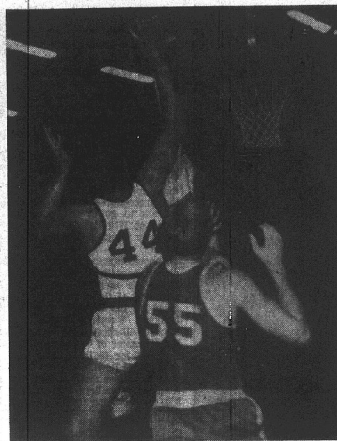

Successful Rally Begins
The outlook was dark, but the dawn soon began to arrive as the Trojans launched a rally. As a starter, Collins was fouled and made two free throws for a 61-59 score.

Collins was fouled again, sending Shell Steve Emert to the bench with his fifth foul. Burt scored a field goal, Lusk hit two free throws and Collins and Weston added baskets as the score rose to 65-58.

Burt scored on a steal and later sank a 20-foot jumper. Podoba followed with a layup, but the Shells rang up four consecutive free shots and stayed ahead 69-64.

Final Minute
With less than a minute in the game, Burt sank a field goal on a pass from Lusk, and Lusk connected from the side, bringing the score to 69-68.

put Madison ahead 74-63. City was fouled again, and received a bonus option. The free throw artist sank both shots and Roxana was unable to alter the score in the remaining time.

Balanced Scoring
Lusk paced the Trojans with 22 points, followed by Podoba with 16, Burt 15, Tom Weston 11, Collins six, Boyd five and Steve Emert one.

Nunn led the Shells with 24 points, and Dona tallied 22. Roxana had a 29-18 edge in free throws but Madison led in field goals, 29-22.

Warriors Top Host Team in Regional Tourney

Granite City, Madison or Collinsville will reign as champion of the Edwardsville regional tournament and advance to the East St. Louis sectional next week.

The Warriors and Trojans collide at 8 o'clock tonight, with the winner playing for the championship at 8 p.m. Friday against the Kahoks, 75-60 conquerors of Alton last night.

The Warriors survived their quarterfinal contest Tuesday night on what was classed as an upset over the Edwardsville Tigers, but witnesses concluded that it was the superior team that gained the 54-48 verdict.

Both teams tried a deliberate approach, waiting for the best possible shots, and the Warriors proved to be masters at this style. They made fewer mistakes to build an early lead and then to stage a successful fourth-quarter rally.

Fall Behind Tigers
It was Granite City ahead 11-7 at the quarter and 28-26 at the half, but the Warriors were limited to only five points in the third quarter and fell behind 35-34. A 20-13 edge in the final period turned the tide.

Chief problem proved to be Tiger pivotman Tom Dezort, who led his team with 15 points and scored all seven Edwardsville points in the initial period. He also opened the scoring in the second quarter.

The two teams methodically sought out each other's weak

points, and it was the Warriors' combination of pressing defense and patient playmaking that prevailed, after a struggle.

Fouls and stolen passes derailed the GCHS offense in the third quarter and the Tigers took the rebound basket by Gary Spiller.

Jones Sparks Rally

In the fourth period, Edwardsville increased its advantage to 41-34 before Jeff Jones sandwiched jump shots around a goal by Jim Stuart to cut the deficit to one point.

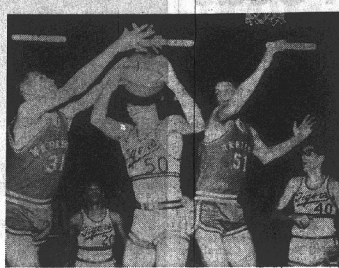

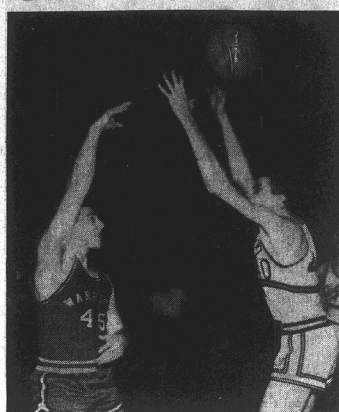

A free throw made it 42-40 but GCHS tied it at 42-42 on free throws by Jim Hentzel and Terry Moore. When Moore converted a foul shot on the same play, the Warriors had regained the lead.

Stuart stole the ball and drove in for a score with three and a half minutes left.

Moore, Stuart Score
An offensive foul by Edwardsville gave GCHS possession, and there were less than two minutes left as Moore and then Stuart dropped in goals for a 51-44 Warrior lead.

The Tigers closed to within 51-48 with a minute to go, but a Moore basket and a Stuart free throw provided the final six-point margin.

Moore finished with 19 points, Stuart 18, Simpson six, Hentzel four, Jones four and Malotki, three.

UPSET IN THE MAKING as Granite City high school toppled the host Edwardsville Tigers in regional competition Tuesday night. On the left, Warrior captain Jim Hentzel is shown effectively passing over the outstretched arms of Tiger Tom Dezort (6'5"). The above photo shows spirited rebounding by Warrior Gary Simpson (31), Tiger Marlin Gusewell (6'4") and Warrior Terry Moore (51), with Edwardsville gaining possession. Coming into the play are Tigers Jim Jackson (20) and Tom Dezort (40).

Candidates to be Interviewed by Trades Council

All local candidates—city, township, park district and school board—are being invited to the Labor Temple Saturday for interviews by the screening committee of the Tri-City Trades and Labor Council's legislative body.

Edwin Reiske, president of the council, said invitations have been sent to the candidates advising them of the time they may appear before the group. The six-member screening committee is headed by Vasil Mih, president of Steelworkers Local 16.

Based on the interviews and recommendations of the committee, the council endorses candidates.

Announcement of the committee program, to be held from 8 a.m. until 1:30 p.m. Saturday was made at last night's Trades Council meeting. In attendance were 61 delegates, representing 37 locals.

Reiske read a letter from national president George Meany advising councils to inform the public of the false solicitations for advertisements by bogus labor papers. Reiske said any Quad-Cityans questioning such solicitations may contact him at the Labor Temple.

FIRST PLACE EXHIBITS displayed by their designers in the annual Granite City Science Fair held this week at the Niedringhaus Memorial Methodist Church hall. They are Gale Fett (left) showing a molecular structure of common compounds, and Patti Bryarby with a display of mitosis. Both are eighth graders at Central junior high.

Additional Youth Focus on Pages 30, 31 & 32

Judging generally was conducted in three categories, for biological science and physical science on the junior high school division and another for the elementary school division.

One ninth grade entry, an outline of the human hand which received a first-place award, was exhibited by Dennis Meyer of Coolidge junior high school.

First Place Winners

Other first place awards went to Patti Bryarby of Central junior high school in the biological science division with a display on mitosis, Gale Fett of Central in the physical science division showing the molecular structure of common compounds, and Michael Champion, McKinley school fifth grader, with a conveyor belt.

Second place awards went to Edward Fowler, Diane Schneider of Central and Marvonne Moehele of Washington school. Third place awards were won by Danny Daigler and Art Menendez of Central and Larry Hopkins of McKinley.

Central students earning merit awards in the biological science category were Becky Bagby, Malene Tolbert, Betty Duke, Timothy Stambaugh, Sharon Smith, Pam Sumonia, Lynn Jones, Donna Holman, Jim Thompson, Wayne Schwendemann, Linda Oram, Betty Gasparovic and Kathy Davis.

Physical Science Category

GC Park District to Send 44 to Centralia Meet

Forty-four young people representing eight winter recreational activities sponsored by the Granite City park district will compete Saturday in the second annual "Recreation Day" event in Centralia. The day-long program is held under the auspices of the Southern Illinois Park and Recreation Association.

Harold Brown, park superintendent, said today that youngsters will board buses at 7:30 a.m. Saturday in the front parking area at GHS Memorial Gymnasium. They will return to the same location about 6 p.m.

Local competitors will travel to the meet in defense of the community's high point trophy won here last year. They will compete against entrants from Highland, Alton, Wood River, East Alton, Roxana, Carbondale and Centralia.

Those participating from here will represent the park district's league basketball team, boys' and girls' volleyball team, table tennis doubles winners and a billiards champion.

Contestants include Michael Gracely and Harold Thiek, table tennis; Jeanne Unfried and Denise Pauls, table tennis; Ronzetti Bouillon, pool champion; Mike Martinez, Gary Lively, Dennis Seclabers, Tom Vrenick, Jim Mank, Dan Creek, Alan Green, Brad Hiles, John Harding and Philip Hill, fifth and sixth grade basketball.

Doris Shane, Adele Travis, Vicki Wilson, Kathryn Winkle, Judy Winfield, Vennie Peppers, Janis Mehele, Linda Killel and Margaret C. A. U. E., volleyball team; Richard Scharden, Russell Smock, Eddie Hagnauer, Larner and Robert Harris, and Janis Scher, Dianna French, Pam Kafka, Karan Hanne and Kathy Weissenborn, high average bowling here last year. They will

complete against entrants from Bruce Lewis, Robert Gibbs, Highland, Alton, Wood River, Steve Lengyl, Paul Kocera, East Alton, Roxana, Carbondale, David Stroheide, Russell McGovern, Dan Mount and Richard Kozar, high school basketball league.

More than 400 attended the first recreation day event held in Granite City last year when local youngsters captured the high point trophy from Centralia by 16½ to 16 points. Stiff competition is expected from the host team again this year, Brown said.

ST. PAT'S PARTY PLANNED

The BMZ Youth Group of Concordia Lutheran Church met Sunday evening for a short business meeting and social hour at the church. They discussed the St. Patrick's Day party they plan to hold on March 12 with their counselors, Mr. and Mrs. Leonard Hoffman.

Refreshments were served by Carolyn Schneider and Gary Sanders to Diane Schneider, Scott Schneider, Debbie Argent, Diana Hoffman, Joan Bunsel-meyer, Jennifer Lignoul, Kenneth Reuter, John Blatner, Steve Ar-better, Keith Lohmann, Kevin Branch and Joy Craft.

The annual blue and gold banquet of Cub Pack 122, sponsored by Wilson school PTA, was held Monday evening at the school, and special guests were Dr. Leo Coleman, B. J. Rogers, assistant district commissioner, and Mrs. Joan McKinney, PTA president.

Four new boys accepted into the pack are Stanley Marler, Brian Settles, Carl Bradford and Tommy Lawson.

Floyd Pitchford presented the pack charter to Joseph Moutria, submaster. Registration cards were distributed, and the den mothers and committeemen were introduced.

The den mothers are Mrs. Maxine Mouser, Mrs. Barbara Smith, Mrs. Pat Pitchford, Mrs. Phyllis Mezo, Mrs. Shirley Kramer, Mrs. Dorothy Melson and Mrs. Beverly Singleton. Committeemen are Alvin Barnes, Louis Trogovich, Clyde Ripley, William Mezo, John Mezo, Carl Stinson and Bill Bellings.

Special awards included "Rugged Road to Scouting" tie clasp presented to Joseph Moutria by B. J. Rogers, seven-year pins to Floyd Pitchford, Mrs. Beverly Singleton, Jack Melson and Barnes; a four-year pin to Mrs. Pearl Harmon, and three-year pins to John Mezo, Carl Stinson, Joe Moutria and Mrs. Pat Pitchford.

A Lion Badge and two arrow points were given to Terry Barnes, a bear badge and one arrow to Richard Kramer, a wolf badge to David Lewis, a wolf badge and two arrows to David Stinson, and arrow points to Jimmy Hall and Bob Mezo.

A short talk on Scouting was given by Dr. Leo Coleman, and there was a mag act.

Tables were decorated, and all of the mothers of the Scouts were given corsages that had been made by their sons.

Pack 122 will hold a pinewood derby March 27 at Wilson school.

SCOUTS STUDY GROOMING Cadette Girl Scout Troop 19, with the leaders, Mrs. Joan Oram and Mrs. Betty Walls, Tuesday afternoon toured the Granite City School of Beauty Culture.

Attending were Kathy Lee, Kathy Duke, Deborah Welker, Linda Oram, Nancy Polson, Deb-bie Lahe, Carrie Black, Nancy Page, Cynthia Stanton, Marlene Riddle, Mickey Fritz, Cheryl Walls, Barbara Volaw, Joann Albers, Nancy Edwards, Joann Wallace and Roberta Forshee.

The Married Couples club met at St. John Lutheran Church Sunday evening. A sausage sale held Saturday was discussed.

Also discussed was a Bethel bible study to be held in all Lutheran churches.

The club decided to send a

MORE ABOUT

Sharp Increase

the Quad-Cities and the rest of Madison county about mid-June, at the latest, in early June.

School Rate Jumps Primary cause of rate in-creases in Granite City, Pontoon Beach and the local areas of Chouteau and Nameoki townships was noted in new rate extensions for Granite City School District No. 9 which rose from last year's \$2.448 per \$100 assessed valuation to \$2.668 for the 1966 tax year, a jump of 22 cents.

District 9 covers an extensive area and therefore affects the overall rates of practically all of the Quad-City area except Madison and Venice which have their own school districts.

The school district, however, did not account for all of the increase in area tax rates. In Granite City, for example, the corporate rate for the city of Granite City increased from a 1965 rate of 60.8 cents to 65.9 cents, a jump of 5.1 cents, while the Granite City park district rate was set at 18.6 cents for the 1966 year, up 8.2 cents over the 1965 rate of 10.4 cents.

The county tax rate, applicable in Granite City as it is in all other districts throughout the entire county, will be 28.9 cents for tax bills collectible this year, compared to 26.1 cents a year ago.

The levee district rate which is extended in Granite City, Nameoki, Venice and Chouteau townships is 42.4 cents if the 1965 rate is used. This levee rate is 2.8 under the rate of 45 cents applied for the 1965 year in the collection of taxes last year. The only taxing agency in Granite City to show a decrease is Gran-

donation to the Lutheran Hour program. It was announced that anyone interested in aiding this project may contact Charles Pool of St. John's Lutheran.

Rev. Samuel Boda opened the meeting with prayer and gave an inspirational talk.

Mr. and Mrs. Richard Link and Mr. and Mrs. Harold Gebhart were hosts for the evening and served refreshments.

Others present were Mrs. Boda, Mrs. Mike Devine, Mr. and Mrs. Elmer Eckert, Mr. and Mrs. Paul Hafner, Mr. and Mrs. Harold Hackney, Mr. and Mrs. Pool, Mr. and Mrs. O. T. Potter, Mr. and Mrs. Curt Hull, Mr. and Mrs. Michael Schmitz, Mr. and Mrs. Franklin Roberts, Mr. and Mrs. Steve Venorsky, Mr. and Mrs. Rudy Dick and Mr. and Mrs. Joe Pfeiffer.

The March meeting has been postponed until April 2 and hosts for the meeting will be Mr. and Mrs. O. T. Potter and Mr. and Mrs. Ed Settlemeier.

City township, set at 11.2 cents per \$100 valuation for the 1965 year compared to 12.7 cents for the 1965 year.

Venice City Skyrocketed

In the city of Venice, the largest rate increase for any of the seven taxing districts operating within the city's boundaries occurred in the Venice corporate rate.

The city corporate rate in Venice for 1966 is 1.032, a rise of 48 cents per \$100 of assessment over the 1965 rate of 63.2 cents. The boost results from increases in rates authorized last fall by Venice property owners in a referendum. Results of the election authorized increases in the city's general fund rate, the police department rate and the street department rate. Much of this was in the general fund rate which, as a result of the ballooning, increased from 17.1 cents to 33.3 cents per \$100 valuation.

The Venice park district tax rate for 1966, primarily as a result of a bond issue authorized to finance construction of a new park district building, went from 15.6 cents per \$100 assessed valuation for the 1965 year to 22.6 cents for the 1966 rate applicable this year. The new rate for Venice School District No. 3 also rose substantially to a new rate of \$2.086, which is 11.8 cents higher than the 1965 rate of \$1.968.

Town Rate Unchanged

The same county rate of 28.9 cents is applicable in Venice as in other townships and municipalities. The same levee district rate also is applied. Only tax rate in Venice to remain unchanged is that for the township which has been set at 13.6 cents for 1966, unchanged from last year.

In the city of Madison the corporate rate also rose handsily although not as much as in neighboring Venice. The corporate rate of Madison for 1966 is \$1.069, up 9.3 cents over the 1965 rate of 97.6 cents. The new rate of Madison School District 12 is \$2.408 per \$100 valuation, or 6.3 cents higher than the \$2.34-cent 1965 rate.

Rates in the city of Madison for the township, county and levee district are the same as those for the city of Venice since both Madison and Venice are located within Venice township.

The overall rate for Pontoon Beach Village of \$4.017 includes seven major taxing districts, but with exception of the Long Lake Fire department, rates are the same as those for Nameoki township, particularly since the village of Pontoon Beach did not file any levy for extension of a corporate rate. The school district rate extended for Pontoon Beach is that of Granite City School District 9, amounting to \$2.668 for the 1966 year. This same school rate is extended for

ANNOUNCE FOURTH SON

Mr. and Mrs. Gene Durrett, 409 East Chain of Rocks road, are announcing the birth of a son at Christian Welfare Hospital, East St. Louis, Feb. 28, weighing seven pounds, seven ounces. They have selected Jason David as his name. The Durrett's have three other sons, Gene, Jamie and John.

RETURN TO TEXAS

Mr. and Mrs. Lloyd Faulkrod and children, Kirk, Danny and Blake, of Arlington, Tex., returned to their home Sunday after spending two weeks visiting Mr. and Mrs. Charles Wilkins, 2903 Palmer avenue, and other relatives.

Nameoki and Chouteau townships

The county and levee district rates applied in Nameoki and Chouteau townships also are the same as those applied in Granite City, Madison and Venice. Only variations are in the township rates—38.4 cents in Nameoki and 12.4 cents in Chouteau, and in the road and bridge fund rates—26.7 cents in Nameoki and 20.5 cents in Chouteau. The Nameoki town rate is only .4 of a cent above last year's rate and the road and bridge rate of Chouteau is unchanged.

Jayceettes Tour Phone Building

Mrs. Donna Wetherholt was hostess to a Jayceette executive board meeting Tuesday evening in her home, 2638 Benton street. Attending were Mesdames Sally Harbat, K. A. J. Jeffries, Mary Watkins, Sandy Peterson, Sharon Ritchie and Betty Lake.

The board joined other members later at the Southwestern Bell Telephone Co. for a tour of the Granite City building conducted by Manager Roger Ward and Lawrence Ritchie. The group went to the telephone building for a monthly meeting with Mrs. Herbt, president, presiding.

Plans discussed included assistance to the Jaycees in the junior college election April 1; a Jaycees district board meeting April 15 in Highland; the Jayceettes' first annual "wig show" April 8; a Jaycees pancake breakfast in April; a mother-and-daughter banquet May 13; and a tea to be held in conjunction with a membership drive.

The annual Easter egg hunt for children will be held March 19 at Wilson Park. Mrs. Kathy Jeffries was presented a homemade article.

A new member, Mrs. Joyce Walker, was welcomed. Refreshments were served by Mesdames, Mrs. Liz Day and Mrs. Marilyn Daine.

Those present included Mesdames: Ann Mills, Pauline Presley, Mickey Patton, Sharon Cooper, Neva Ward, Beverly Spomond and guests: Mrs. Shirley Niececki, Mrs. Carolyn Siegrist and Mrs. Mary Schindler.

The next meeting will be held March 28, with Mrs. Edna Hogan as hostess, and Mrs. Herbt as hostesses, and Mrs. Day to provide the home-made article.

Club Studies Floral Arranging

The Garden Study club met Wednesday at the Grand Cafe for a 1 o'clock luncheon. Mrs. Johnnie Anderson was hostess and used a St. Patrick's day theme for table decorations. Favors were miniature nut cups in the shape of shamrock.

Mrs. Bonard Maples led opening prayer. Mrs. Ruth Boyer, guest speaker, a professional designer of floral arrangements, demonstrated her tips by making five arrangements of different sizes and shapes.

Mrs. Clifford Mang as program chairman, Mrs. Wilma Cooley as president, submitted her report on the District Five annual meeting, held in Belleville, she presented an appreciation award to the club for its entry on table settings. The club yearbook placed third.

Mrs. Cooley served as installing officer for 1967-68 officers. New officers are Mrs. John Lehman, president; Mrs. Arthur Roman, vice-president; Mrs. C. E. Eads, treasurer; and Mrs. Harold Caron, secretary. They received gifts from Mrs. Cooley and Mrs. Lehman presented the retiring president with a gift from the club.

The next meeting is set for April 3 in the home of Mrs. Edna Seymour, 3209 Lehigh street. Other members present were Mesdames Edward Thies, August Thies, Clifford Mang, Dan Seymour, C. E. Eads and Eugene Short.

GC Police Car On Chase Grazes Elderly Pedestrian

Charles E. Johnson, 78, of 1258 N. Washington, was grazed by a police car which was chasing a traffic violator along 26th street at 3:40 p.m. Tuesday.

He was crossing the street at the alley between Cleveland and Delmar avenues when the mishap occurred and was taken to St. Elizabeth Hospital in the police car for treatment of abrasions to his left leg and was released.

Patrolman Louis Mank, 24, of 2002 Sunset drive, a passenger in the car, complained of being hit by the car. Mank and Patrolman Albert G. Wright, 2024 Grand avenue, reported the car was heading north on Madison avenue and ran a red light at 26th street.

They said they saw the same auto run another red light at 26th street and N. Washington avenue. When the police car reached 26th street and Delmar avenue, the auto was 1 1/2 to two blocks away.

At that time, Johnson, a custodian at the public library, crossed the street from behind a bakery while heading for work, and when the officers first saw him, he was in the westbound lane. Wright said he swerved to the left, but the pedestrian was hit by the right rear fender.

The patrol car skidded into the curb on the south side of the street, and the car struck the sidewalk, striking the curb and the left rear fender striking a parking space.

The officers gave up the chase to assist the pedestrian. Roy Agnew Jr., 44, Chesterfield, Mo., sustained minor injuries at 6:10 p.m. Monday when his car and one driven by Clenna Koughn, 1946 Fourth street, crossed the street at 26th and McCambridge avenue.

Madison police, who said they saw the car heading west on Edwardsville road, a passenger was driving north on McCambridge when the mishap occurred. The car was unable to yield against Agnew.

Two persons complained of injuries. One was a 30-year-old woman, working at the steel mill 35 years before retiring about eight years ago.

She was a member of St. Mary's Catholic Church, the Croatian Catholic Union Lodge 80 and the Greater Beneficial Union of Pittsburg.

In addition to his son, he is survived by his wife, Mary, and three grandchildren. Arrangements are given in town's obituary column.

Attorneys Debate New 'Stop-Frisk' Bill

The "stop and frisk" law now on the Senate floor in the Illinois legislature was described variously by Madison county lawyers Tuesday night as a violation of the constitution and as a necessary weapon with which to fight crime.

The new law was discussed by obtaining the rights of the Madison County Bar Association in the public service program conducted by the county bar association. Attorney John F. Schragis spoke in support of the bill, and Attorney William A. Alto and Robert Rice of East St. Louis opposed it.

Gilbert Roach, local lawyer, sided with the opponents. The proposed law would permit officers to stop any person in a public place whom the officer "reasonably suspects" has committed, is committing or is about to commit a felony or violate a deadly weapon or narcotic law. It further provides that the person may be frisked.

Schragis and Scroggins defended the law as a means of aiding police work. Scroggins contended it would reduce the number of false arrests and would be a necessary and necessary. Rice said suspicion that a crime was about to be committed would be a sufficient basis for a frisk.

The law now depends on objective proof. A 10-inch television set was stolen in a burglary at the Commercial House, 822 North Main street, it was reported at 6 a.m. Wednesday. Soda and canned goods were stolen.

They were not opened. Entry was gained through a south side basement window, and a door to the main floor was broken open. The front door of Fryzko's service station, N. Washington street, was broken open, and a car was stolen on the night, it was reported at 7:15 a.m. Tuesday, but there was no entry. Two burglaries in the home made by a large screwdriver or a tire tool.

Heart Sunday Appeal Extended to March 5

The Heart Fund Sunday appeal has been extended to this Sunday, March 5, because inclement weather last Sunday forced many volunteers to stop before completing their house-house drives. Elvira Thurber, general chairman, said today.

"Some areas were partially completed and others could not be covered at all by volunteers," Mrs. Thurber said. She added that anyone wishing to make a donation may mail or take it to her at the Thurber Agency, 1922 State street.

Total receipts, to date, from the Sunday Appeal amount to over \$400.

Charge Dismissed in Madison Burglary Case

A burglary charge filed Monday by Madison police against Charles E. Stanley, 19, of 621 Selver street, Venice, was dropped yesterday by Magistrate Matson, who said there was no prosecution of the case.

Stanley was one of three suspects arrested by Venice police early this week for investigation into a series of Madison and Venice burglaries and thefts. Police charged Stanley was one of three boys who broke into the cafe of the Owens-Illinois Co., which is located in Madison. Police Chief Emmet Pavia said lack of testimony made it impossible to press the case.

Link with Power Firm Being Falsely Claimed

Quali-Cityans are being contacted by their homes by a person claiming to represent the Illinois Electric Power Co., a subsidiary of the Chicago and North Western Railway Co., and claiming to be a representative of the power company.

The "poster" asks to check furnaces or fuse boxes. The power company makes such calls only by appointment. The person always uses Illinois Power Co. vehicle, it was explained. Also, bona fide representatives carry a badge and are accompanied by a police officer. Two burglaries in the home made by a large screwdriver or a tire tool.

GC Steel Wages Total \$51,350,000 For 5597 in 1966

Wages, salaries and employee benefits at Granite City Steel Co. totaled \$51,350,000 in 1966, it was announced Tuesday in the annual report mailed to stockholders. Real estate and personal property taxes paid by the company—largest taxpayer in Madison county—amounted to \$2,505,000.

Employment at the steel mill has remained relatively constant in recent years, the report stated, listing an average of 5597 workers in 1966, compared to 5656 in 1965. A majority of the employees live in the Quad-Cities and other Madison county communities.

The economic advantages of steel industry employment over most other manufacturing industries have made it possible to retain an experienced work force," the report stated. "The average age of production and maintenance workers is 39½ years with an average length of service of 14 years."

The firm's 1966 sales and earnings were announced several weeks ago at \$189,200,000 in 1966 compared to sales of \$168,531,000 in 1965. Net income amounted to \$10,588,000 in 1966, or \$2.39 per share of common stock, compared to \$10,151,000, or \$2.34 per share, in 1965.

Job Openings

Rapid growth and installation of advanced new facilities and systems have created many job openings, the report states. "For imaginative, well-educated college graduates and especially those with degrees in accounting, electrical, mechanical, civil, architectural and industrial engineering or industrial management or metallurgy."

A special section of the report covers steps taken to reduce and control air and water pollution. The waste water treatment system was completed in 1965, and an advanced system for cleaning waste gases from a new basic oxygen furnace steelmaking plant to replace the open hearth furnaces and their orange smoke is to be in operation later this year.

Construction of the water treatment and gas cleaning systems required a capital investment of almost \$7,000,000. By the end of 1967, expenditures for operating and maintaining the pollution abatement facilities will cost over a million dollars a year.

Scope of Expansion

Significance of the multi-million dollar expansion and modernization program is outlined in the report.

The program began in 1965 and is nearing completion to make the company "a much stronger producer of that basic industrial commodity, flat rolled carbon steel." The company produces steel products for a 28-state market.

The first of the major new facilities, a third continuous galvanizing line, went into production in the last week of 1966. The new BOF plant and a 105,000 hp computer-controlled hot strip mill are scheduled to begin operating in mid-1967. An iron ore mine and pellet plant at Pilot Knob, Mo., will start production early in 1968.

Damaged Auto Abandoned

The driver and a passenger were seen leaving a damaged auto at 11:35 p.m. Tuesday on Roosevelt and Enno streets after it struck two catch basins, knocking off the auto's left front wheel and damaging the undercarriage. The owner of the auto was a resident of Overland, Mo.

"ACE SETS THE PACE" — QUALITY AT LOWER PRICES

Filing Deadline Saturday in Two Park Elections

Election of two park district board members in Granite City and one in Venice on April 4 was attracting little attention today, with the filing deadline set Saturday.

Three candidates, including two incumbents whose terms expire this year, have filed nominating petitions in Granite City. They include Milton Worthen, 506 Terrace lane, now vice-president of the Granite City park board, Clarence Baumeier, 2111 Bryan avenue, incumbent board member, and Chris VonNida, 2423 Wenden avenue.

The three candidates filed petitions of candidacy on Feb. 5, the day the filing period opened.

The Venice park district elects only one of its five-man board this year for the membership of Peter Ponce, 507 Filmore street, Venice. Ponce is the only candidate to file petitions.

The park district elections are held on the same day as local township elections and the Granite City municipal election which this year falls on April 4. Both the Granite City and Venice districts will maintain polling places separate from those of the other locations. Site of the polling places will be announced later.

Whitson Promoted By A. O. Smith Corp.

Troy T. Whitson has been promoted to a newly-created position as material controller in the financial controls department of A. O. Smith Corporation's Contract Products group.

In his new post, Whitson will work with the company's automotive, tubular products and railroad products divisions in the auditing of all material control procedures and in developing improved material cost analyses.

Whitson, a 1961 business administration graduate of the University of Wichita, was formerly a supervisor of cost accounting and budgeting control at the firm's local frame plant. He joined A. O. Smith in 1964.

Immunization Clinic Saturday at Hospital

St. Elizabeth Hospital's free immunization clinic will be conducted from 8 to 10 a.m. Saturday in the basement of the Tri-Cor Medical Building, located at 21st street from the hospital.

Quad-City youngsters with referrals from their physicians, school nurses or a welfare agency may receive services and medicines free of charge at the monthly clinic.

As part of St. Elizabeth's continuing health program for those working at the local hospital, employees will receive free vaccinations during the same two-hour period as the clinic.

Former Resident Receives Promotion

Lowell E. Griffith of Decatur, Ill., a former employee of Illinois Power Co. here, has been promoted from overhead distribution engineer to service area engineer by the company in Decatur.

A graduate of the University of Illinois with a Bachelor of Science degree in electrical engineering, he began work with the utility here in 1960. Mrs. Griffith is the former Joyce West of Granite City.

Car Registration Charge
Lowell L. Miner of Delmar avenue, was charged with driving without valid registration. He was issued a ticket at 23rd street and Madison avenue on Monday.

Cooking Lesson Number One

One of the first steps in interesting a son or daughter in cooking is to find an interesting subject for them to practice on. The making, baking, and eating of cookies appeals to every youth.

The cereal base cookies are easy for the small hands to prepare. It's also a good way to use up some of those extra boxes of cereal that find their way into our house not because of what is in the box but because of what is ON the box. The nutritive value of these cereals are not altered by the baking. Many dry cereals are enriched with B, vitamins and minerals that make them valuable to the diets of these young cooks.

Cereal Marshmallow Cookies

1/4 cup butter or margarine
1/2 pound marshmallows
2 cups rice krispies or cornflakes
2 squares chocolate
1/4 Cup peanut butter

Melt butter, add marshmallows, chocolate, and peanut butter. Remove from heat. Add cereal and stir until well blended. Press into lightly buttered pan 13 x 9 inches. Cut into squares when cool.

MISSIONARY SOCIETY

ENLISTMENT BANQUET

The Women's Missionary Society of Second Baptist Church held its annual enlistment banquet Monday evening at the church.

Guests of honor seated at the head table were Mrs. Ruby Mayberry, WMS president, Mrs. Ursel Woodward, enlistment chairman, Rev. and Mrs. Clayton Humphrey and Mr. and Mrs.

Hopkins, speakers for the evening.

A dinner was enjoyed and Mrs. Charlene Sanders was honored on her birthday with a cake and song.

Mr. and Mrs. Hopkins, who went last summer to Europe and African countries, showed color slides and souvenirs. Mrs. Hopkins' brother and family, whom they visited in Africa, are in that country working for the U.S. Department of Agriculture.

Others present were Mesdames Leola Kaseberg, Winnie Tucker, Retta Favier, Mildred Garin, Ruby Harper, Roxie Sadler, Allen Phillips, Lillian Gregory, Elizabeth Darnell, Florence Paul, Goldie Smith, Dorothy Barnes, Elsie Sturdivant, Edith Wilson, Ethel Cox, Evelyn Smith, Myra Grote, Rosemary Watson, Ann Wigger, Rhoda Davis, Betty Richardson, program Mitchell, Nellie Lipardus, Alene Reagan, Irene Broadway, Levern Fennell, Alice Hoffman, Melva Roberts, Naomi Ronney, Nancy Burnett, Tilla Nisler, Jean, Wyatt, Isabell Burnett, Shirley Mayberry, Betty Grote, Terri Frith, Nadine Faye, Beverly Crown, Ann Jameson, Arlene Smith, Carol Canady and Mr. and Mrs. Ralph Yates.

Miss Barbara Rainwater, a daughter of Mr. and Mrs. Bert Rainwater Jr., 2308 Morgan street, this week completed a nine-day trip to southern Illinois. While there, she visited her grandfather, Elbert Sheffer of Tamm, and a great-uncle, Eddie Sheffer of Cairo.

BLUE GOLD BANQUET

OF CUB SCOUT PACK 19

The annual blue and gold banquet of Cub Pack 19 was held Monday evening at the Washington school cafeteria.

A welcome was extended by G. or G. Birdsong, cubmaster. The invocation was by Rev. Perkins, and Gordon Whitford introduced Edwin Menke, Unihaw district scout executive, Mrs. Menke and Rev. and Mrs. Perkins. Birdsong introduced his staff of workers.

Menke gave a talk on the collection of books for the SIU-SU library, sponsored by the Madison Rotary club, with scout assistance.

Awards were presented by Assistant Cubmaster Oliver Gilmore: bear badge, Tony Ambuhl, Brian Crippen, Rodger Derr and Mike Collins; wolf, John Derr and Jimmy Wilson; bobcat pins, Ronald Cottrell and Mark Cote; and service pins, one year, Ollie Wilson, two years, Mary Gilmore, and four years, Gordon Whitford.

Plaques were received by Whitford, Woodward, enlistment chairman, Rev. and Mrs. Clayton Humphrey and Mr. and Mrs.

MRS. LUCILLE SOBCHAK
4280 Highway 162
WE 1-2711

PROMOTED IN ALASKA

Mrs. Charles Klann of Highway 162 has received word of the promotion of her nephew, George Nelson, from master sergeant to sergeant-major.

Nelson and his family are from Granite City. They are now stationed in Anchorage, Alaska.

Brownie Troop 254 met Monday evening with the leader,

Mrs. Dot Copeland, at her home on Bradley street to decorate "bunny boxes" and practice a program for the Stallings PTA's March meeting.

Present were Diane Milard, Laurie Bennett, Jane Leonard, Nina and Cindy Duncan, Robin Hayden, Kim Wheatley, Carla Reynolds, Mary Humphrey and a new member, Tammy Walton.

PLAN FLAG RAISING

Junior Girl Scouts met Tuesday evening with Mrs. Margaret Duncan, leader, at her home. After the pledge and scout promise, they worked on Easter "bunny" boxes. They are to raise the flag in a ceremony at Stallings school at 1 p.m. March 15.

Because the present treasurer is moving to Highland, Connie Bowman was elected as treasurer. Susan and Terry Tucker are moving to Highland.

Others taking part in a friendship circle were Mary Becker, Jennie Duncan, Barbara Hunt, Joan Baker, Diane McBride, Cindy Garber, Laura Lewis, Sheila Reynolds and Mary Lou Deatherage.

Birdsong introduced the new institutional representative, Lealand Ambuhl, Committeeman Bill Cottrell, Den Mother Virginia Cottrell and Webelos leader and Assistant Cubmaster Russell Stover.

A play, "Freedom" was given by all the cubs. There was a tie for the attendance ribbon between Den Four, Den Five and Webelos. Achievements and activities in 1956 were listed by the secretary, Mrs. Ollie Wilson.

The tables were decorated in blue and gold, with centerpieces of a miniature cannon and a birthday cake. Place cards were made by the den mothers.

Entertainment was a provided by the Four Tones quartet, Jim Smith, Cliff Stephens, Gary Wigger and Junior Campbell. The benediction was by Rev. Perkins.

Boy Scout Troop 23 met Tuesday evening at the Long Lake firemen's recreation hall with the scoutmaster, Leonard Barton, and assistant, Ray Rodgers.

The equipment shed was cleaned, chicken fry tickets were distributed and the boys worked on advancement. John Harper and Robert Reaser studied for first-aid badges.

Those present were Fred Biggs, Vaughn Wainwright, Danny Tucker, Eddie Dummitt, Danny Kreher, Jeff Wainwright, Jerry Tucker, Mark Reaser, Terry Spalding, David Hutchings, Rudy Reaser, Dan Jones, Steve Bell, John Harper, Steve Mesador, Scott Rushing, Dennis Williams, Tony Bennett, Willie Arnold, Gregory Snyder, Robin Nodtke and Steve Hutchings, committeemen. Present were Floyd Asholf, Otto Kreher and Earl Arnold.

HOME FROM KANSAS

Mrs. Rose Leibold, 2289 Highway 162, returned Monday evening from Overland Park, Kan., where she spent a few days visiting her sister, Mrs. Barbara Dorich and family. She was accompanied by her two youngest children, Jerry Jr. and Rose Ann.

The Granite club met Tuesday

at the home of Charlene Kernerly and planned an Easter party. The members played records.

Refreshments were served by Marsha Ren to Janet Towery, Cindy Arnold, Charlotte Pitts and Terry Mills.

GOLDEN CIRCLE MEETS

The Golden Circle class of the pontoon Baptist Church met Tuesday night at the home of Mrs. Lucille Martin. The meeting was opened by the president, Mrs. Helen Wilkins.

Opening prayer was by Mrs. Lucille Martin, and the business meeting was conducted by Mrs. Evelyn Knutt.

Refreshments were served by the hostess, Mrs. Martin, to Mesdames Mary Prine, Leda Kallenborn, Sylvia Whitehead, Helen Wilkinson, Gusta Webb, Myrtle Anderson, Norma Spurgeon and Evelyn Knutt.

The next meeting will be held in March at the home of Mrs. Webb in Edwardsville.

Faces Traffic Charge

William H. Graham, Newton, Ill., was arrested by Madison police at 11:50 p.m. yesterday on a charge of running a stop sign at 12th street and Washington avenue.

gram to be carried out in April
and May.

Harry Lutz of Mobiloil, East St.
Louis, was chairman of the
luncheon meeting held at August-
ine's and attended by 85 per-
sons.

H. D. Karandjeff, local banker
and Madison county chairman
of Savings Bond sales, was a
special guest; and the guest
speaker was Thomas Hughes a
regional director of the U. S.
Treasury, Philadelphia.

Local firms represented were
Dow Chemical, Nestle Co., Gran-
ite City Steel Co., General Steel
Industries, Tri-City Grocery,
A. O. Smith and the Army Depot.

Stonehenge Monument Topic of Travelers

Alfred E. Krumsiek, retired
Granite City teacher, spoke on
northern France and southern
England at the February meet-
ing of Travelers Abroad Mon-
day evening at the Prather Jun-
ior high school library, which
was filled to capacity by mem-
bers and guests.

Color photographic slides of
points he and his wife visited
were shown, including Stone-
henge, a rock monument at Wil-
shire, England, believed to date
back to 1800 B.C. Walter Klein
introduced the speaker and Miss
Alice Presides presided. Mr. and
Mrs. E. A. Karandjeff were an-
nounced as the March speakers.

Car Thief Calls Police, Tells Where He Left It

Madison police late last night
recovered an auto, reported to
have been stolen earlier in St. St.
Louis, after an anonymous caller
phoned Granite City police and
told them he planned to give
himself up. He said he had up-
len the car and told officers
where it was parked.

Granite City police notified
Madison authorities who found
the car parked where the caller
said it would be, at 12th and
Iowa streets. Police located the
owner through the license regis-
tration and said he is Paul T.
Sutt, 2821 Marshall avenue.

Chester E. Geller, Venice, Dies at 71

Chester E. Geller, 71, of 620
North Main street, Venice, died
at 4:15 p.m. yesterday in Chir-
s at 4:15 p.m. yesterday, East St.
Louis, following an illness of
four days.

Mr. Geller was born in Gray-
ville, Ill., and had been a re-
sident of Venice 20 years. He was
employed for 40 years as a
truck driver for a St. Louis
pharmaceutical firm.

His wife, Mrs. Louise Geller,
preceded him in death. He has
no immediate survivors.

Funeral arrangements are giv-
en in today's obituary column.

ALTAR SOCIETY MEETS

The St. Elizabeth Altar Society met Tuesday evening in the school cafeteria for a monthly meeting, with 50 members attending. Mrs. Dolores Polsen, vice-president, presided and opened the meeting with prayer. Mrs. Nancy Moesemer, first guest speaker, is a weight consultant and beauty counselor. Val, a hair stylist from St. Louis, then spoke on skin care, makeup, wigs and wigs. At the close of his talk, the president, Mrs. Jean Schwarzko, presented the Madonna went to Mrs. Ann Palagrove and a prize to Miss Julianna Hoedbeck's room for the largest number of mothers present.

Refreshments were served by Mrs. Judy Miller and Mrs. Mary Ellen Becherer. The next meeting will be held March 28 in the school cafeteria.

Den Three of Cub Pack 22 met Monday in the home of the den mother, Mrs. Louis Brusatti, 2211 Manley avenue. The time was spent with the scouts preparing favors to be used at their blue and gold banquet Tuesday evening.

Def. Chief Craig Tarpo closed the meeting with prayer. Present were Mark Brusatti, Joe Uram, Andy Edgars, David Lindsey, Mark and John Schwarzko, Billy Wood and Gary Kaseberg.

CUB PACK 22 HOLDS BLUE, GOLD BANQUET

Cub Pack 22, sponsored by Frohardt PTA, held its blue and gold banquet Tuesday evening at Concordia Lutheran Church.

The tables were decorated and followed the theme, "Scouting Rounds a Guy Out." Favors were made by the dens.

A pot luck dinner was served to 195 members and relatives. Rev. Arvin Twietmeyer, pastor of Concordia Lutheran Church gave the invocation.

Special guests were Unifair District Commissioner Edward Stone and his wife and Rollin Henn, council vice-president, who spoke on "Advantages in Advancing in Scouting."

Stope presented William Krause, cubmaster, with a Breakthrough for Youth tie bar for an increase in membership from December 1965 to December 1966.

Explorer Post Six of Concordia Lutheran Church, under the leadership of Don Beck, provided entertainment with authentic Indian dancing.

Earl Bueger, advancement and award chairman, presented belated pins to Richard Heath, Mark Schwarzko and Bill Scaturro; wolf badges to Lindell Lindsey Jr., John Busch, Richard Mark Schwarzko and Bill Scaturro; wolf with gold arrow, David Milton; gold arrows, Craig Schulte and Eddie Szczepanski; Tony Welch, bear badge, Mark Brusatti, Lance Parmley and John Schwarzko; bear silver arrows, Eric Krause and Joe Uram; lion badge, Andy Edgars; Webelos badge and three-year service star, Stanley Mangolian; year service star to an assistant den mother, Mrs. Ray Uram; recruiter stripes, Richard Fry, dinner stripes, Tom Skerle, Gary Kaseberg and Greg Gauen; and assistant denner stripes, Brian Sikes, Richard Hight and Andy Edgars.

Special recognition was given to two transfers, Gary Kaseberg and John Schwarzko.

Announcement was made that the next pack meeting will be March 28 at Frohardt school. Unifair inspection is planned.

The scouts were informed of the "Harvest of Books" good turn collection of books for the SIU-SW library March 1-25.

MRS. PARISH HOSTESS

Mrs. Becky Parish was hostess Tuesday evening to her canasta club in her home, 3032 Washington avenue, for a semi-monthly meeting.

Those excelling in the games and winning prizes were Mrs. Verlynn Volmer, first; Mrs. Marie Nafie, second; Mrs. DeArle Smart, third; and Mrs. Carmen Allen, floater prize.

The hostess served a buffet luncheon to those named and Mrs. Mary Hogan and Mrs. Vella Mae Tucker. The next meeting March 14 will be held in the home of Mrs. Tucker, 3160 Jill avenue.

Three local artists, Mrs. Ruth Tyler, Mrs. Clea Whitaker and Mrs. Marion Shelton, have a showing of their work at the Carroll House in Belleville through Saturday.

Oil, pastels, ceramics and mobiles will be included in the exhibit.

Miss Dorothy Holst, another local artist, will sketch portraits Saturday at the showing. All are members of the Caseyville Artist Guild.

Delbert Atchison, 58, Dies at Mt. Vernon

Funeral services were held yesterday in Mt. Vernon, Ill., for Delbert Atchison, 58, an A. O. Smith Corp. employee, who died of cancer Sunday at a Mt. Vernon Hospital.

Mr. Atchison who lived at 1128 S. Main street, Mt. Vernon, resided at 2132 Grand avenue for the past eight years. Prior to that time he had resided elsewhere in the local community for two or three years.

Employed as a press operator at the local plant since it opened in 1954, Mr. Atchison had been ailing for the past three months. He had continued to work here until three weeks ago.

Surviving is his wife, Mrs. Elsie Atchison of Mt. Vernon.

Paul Mikulas Recovering

Paul Mikulas, 2454 Hodges avenue, is recovering at DePaul Hospital, St. Louis, from major surgery which he underwent Wednesday.

ST. MARY'S PACK 47

BLUE, GOLD BANQUET

The blue and gold banquet of St. Mary's Cub Pack 47 was held Sunday afternoon in the school cafeteria. A color guard consisting of cub and scouts carried flags, and the parents and friends joined in the pledge to the flag.

Mike Sikora, scoutmaster, welcomed the group and Fr. Engelbert Biemek offered prayer.

Frank Fuzeser, cub scout committee member, served as master of ceremonies. Harry Thebeau, institutional representative, was introduced and presented George Stentzer, scoutmaster, with a silver tie bar for his 14 years of service.

Boy Scout Kevin McGarran gave a reading on camping and hiking. Ratkiewicz gave the den mothers, Mrs. Kathryn Butkiewicz, Den One, and Mrs. Beatrice Stentzer, Den Two, two service pins. Den One, and Tony Karpowicz, Den Two, received awards. George Stentzer was thanked for donating and setting up a display for Scout Week.

Fr. Engelbert gave a talk on scouting and the group joined in sing "Hoty God." Others seated at the head table were Fr. Sylvester Micek and John Piechowski, Frank Verba and Alvin Warchol, committee members.

Mrs. Vera Sikora and Mrs. Frances Ratkiewicz were in charge of the dinner preparations.

Others attending were Mrs. Rita Barnhart and daughter, Mr. and Mrs. A. D. Brown and family, Mrs. George Dittman and sons, Rudy Butkovich and daughter, Linda, Mrs. Frank Fuzeser and son, David, Mr. and Mrs. Earl Hancock and family, Mr. and Mrs. Tony Karpowicz and daughter, Mrs. German Matras and son, Jesse, Mrs. Lee McGarran, Mrs. Leonard Mikolazuk and daughter, Mrs. Anna Kello, Mrs. Charlotte Morier, Mr. and Mrs. Jerry Plantz and family, Mr. and Mrs. Aloyses Ruesing and family, Alen and Arthur Ratkiewicz, Mrs. Nettie Golewicz, Sandra Lynn Stentzer, Mr. and Mrs. William Tutka and daughter, Mrs. Adrienne Warchol and daughter, Mr. and Mrs. Joseph Stiers and family, Mr. and Mrs. Vincent Balssa and daughter, Mr. and Mrs. Forrest Friend and family.

Awards were presented to Den One

by Anthony Ratkiewicz, cubmaster. Receiving awards were James Warchol, Robert Dittman, Steven Brown, Keith McGarran, Ratkiewicz, Ronald Morier, Teddy Morier, Richard Tutka, Michael Vrabec and Brian Fuzeser. George Stentzer gave a talk on cub scouting, followed by a performance by Den Two, "The Tomahawk Dance."

Awards were presented to Victor Barnhart, Danny Hancock, James McGarran, Richard Tutka, Planitz, Aloyses Ruesing, Mark Ruesing, George Stentzer and Kevin Werner of Den Two. German Matras, committee member, was presented with a two-year service star and Anthony Ratkiewicz with an award for 14 years of service with the cubs.

"Emergency Stretcher" was a scene given by the Boy Scouts, State Trooper R. G. Bruttus, scout on bicycle safety.

Boy Scout Kevin McGarran gave a reading on camping and hiking. Ratkiewicz gave the den mothers, Mrs. Kathryn Butkiewicz, Den One, and Mrs. Beatrice Stentzer, Den Two, two service pins. Soldier Arrested

John May, 20, stationed with the 201st Army Engineers at the Granite City Army Depot, was arrested by Venice police at 12:45 a.m. today on a charge of refusing to obey an officer and resisting arrest. Police said May refused to leave the American Legion Post 799 hall in North Venice after they were called to quell a disturbance. May came unruly and resisted officers when they attempted to arrest him. He was turned over to the provost marshal at the depot and given notice to appear for hearing.

Mr. and Mrs. Steven Dezan, Mr. Jerry Nitznik and daughter, Mr. and Mrs. Eugene Stoker and family, Mr. and Mrs. Delbert Downs and family and John Chohan.

AWAIT DISTRICT MEET

Delray Rebekah Lodge members met Tuesday evening at the Odd Fellows hall with Mrs. Thelma Stockton, noble grand, presiding. It was announced that a 26th District meeting will be held March 3.

A cakewalk was held with the members taking part. The group adjourned to the basement of the hall, where a white elephant auction was held, with Mrs. Ruby Wood as acting auctioneer.

Mrs. Stockton, Mrs. Leo MacSalmon and Mrs. Laura Bell Christian served cake and coffee. "Friends night" will be observed in two weeks at the regular meet, with each member in charge.

CHURCH CLASS MEETS

The Queen Esther class of the First Baptist Church of Madison met Monday evening in the home of Mrs. Gertrude McMannaway, 1811 Second street. The devotional was given by Mrs. Lucille Veach, teacher, using "Love" as her theme.

Mrs. McMannaway, president, presided over the business meeting. Members responded to roll call by quoting Bible verses.

Mrs. Virgie Craft, Mrs. Velma Rideout, Mrs. Verna Willman, Mrs. Thelma Stockton, Mrs. Veach, Mrs. McMannaway, Miss Altha Lassen and Miss Nora Rogers.

Reports were given on members' activities and prospects for the class on cards and visits during the month.

Refreshments were served by the hostess. Dismissal prayer was by Mrs. Willman, who will hold the March meeting in her home.

MORE ABOUT Street Supt.

Department be maintained by one person, as in the past.

Mayor Parnley said that with the increasing amount of record keeping required of the department, the one secretary was able to keep the department work by taking some home each evening.

14 Steps With Tickets

He added that temporary help would not be adequate, since collection of parking meter fines, since time was devoted to "following through."

Mayor Parnley commented that two years ago, the fines amounted to \$1400 a month, and now average \$5000.

While the present secretary would maintain records and handle daily office reports, the FBI report and accident records, the secretary is needed in the detective division, where separate records are maintained.

Alderman Whitmer, chairman of the Police committee, was the last to speak before the deferral adjourned. He stressed the importance of proper record keeping.

Job Evaluation Proposed

Alderman Johnson suggested the city might inaugurate a job evaluation program, and Sternberg called for the suggestion to be referred to the Personnel committee for recommendation.

Boyd questioned the wisdom of such a move. "We've had a lot of trouble with the Personnel committee, and I'm definitely opposed to this."

Johnson said he was proposed for the city hall and the sewage treatment plant, it was noted by Alderman Fry, and Rutledge reported the last time the proposal was made, the fee for such an expert was quoted at \$100 to \$200 a day.

Parnley added that the city should save its money if it had employees who took work home at night and slept in the home (office) working seven days a week.

The final comment before the vote was by Bartosiak who said that it would be better to hire the added employee than to call on an expert and pay for a large amount of money that would be taken out of town.

The job evaluation proposal was defeated by a 5-to-1 vote. Favoring it were Rutledge, Johnson, Sternberg, Thompson and Fry. Opposed were Nunn, Whitmer, Basarich, Bartosiak, Boyd, Dallas, Moerlein, Parnley, Robertson, Poulos and Green.

Warfield Pay Debate

The \$8000-a-year salary for Street Supt. Warfield was proposed by Alderman Basarich. Rutledge pointed out that back in January, when a \$8000 salary was proposed, Warfield himself said a \$50-a-month increase would be adequate. Instead of the \$150 monthly increase, Thompson said \$50 or \$100 should be sufficient. "The \$150 is too much out of line," he added.

Bartosiak retorted that with the mayor salary at \$10,500, he did not believe that a street superintendent of streets was out of line. Warfield is assured of re-election April 4, since he has no opposition.

Entering the discussion, Parnley pointed out the salary has not been increased in eight years and that street workers could soon earn more money than the superintendent if the salary was not increased before he takes office for another term. "Now's our chance to give a man his just due."

Boyd commented that the superintendent was making \$4800 a year with his \$60 monthly expense allowance, but that the allowance hasn't been paid since the council's big ruckus over all expense allowances last December.

Green, Basarich and Nunn added that Warfield was underpaid, and the increase should be granted. Thompson remarked, "All of us are underpaid. I think a 25% increase is exorbitant. You should give a man more money than he does for good people, how can we expect to keep them. Look at the trouble the city has getting policemen."

Approval was given for preparation of the ordinance to increase salary to \$9600 a year. Despite protests by several aldermen, the council voted 12-to-2 late in the session for the amendment to the city air pollution control ordinance, recommended by the city clear air commission, to be prepared for adopting.

Vote for the changes were Alderman Nunn, Rutledge, Whitmer, Basarich, Bartosiak, Boyd, Dallas, Moerlein, Sternberg, Fry, Parnley and Green. Opposed were Johnson and Thompson.

Both objectors suggested the city wait a few weeks to learn the standards to be set by the Illinois State Air Pollution Control board rather than proceed

with the stiffer regulation of the Interstate Air Study.

Mayor Parnley urged the council to keep the recommendations of the city's board, and Fry added that if the city waited for the study, then it was waiting for its own control system.

Johnson recommended the city follow the guidance of Illinois rather than Missouri. He noted the city's acting technical secretary is a resident of Missouri.

Alderman Whitmer, chairman of the council's Air Pollution committee, stressed that the city board went beyond and "did the job" to clear the air of pollutants causing house paint discoloration. "The state told us they couldn't help us. If we're going to wait for the state, we might as well disband the commission."

"Let GC be Leader" - Alderman Johnson.

Thompson pointed out that the state will be the ultimate authority and will tell the city what to do. He added that he files a plan on occasion and sees pollutants coming here from the south. "How can we stop that?"

Basarich said he figured it would be 20 to 30 years before there would be clean air in the area. "I'm not for shutting a plant on occasion and giving off a little smoke. If I want real clean air, I can go into the country for a weekend. But, I'm growing big and fat in Granite City."

The city clean air board is recommending the city ordinance conform with the Interstate Air Pollution Study and provide for more effective enforcement with penalty provisions.

Basically, the city board presents a variance procedure over the present method of allowing violators to submit plans for a formal program. The amendments would set the maximum allowable sulfur content of coal at 2% and increase the maximum sulfur compound emission limitation from new sources to 100 parts per million from the present 200 parts per million under the Interstate Study.

Sewer Board Action

In presenting the report of the Special Sewer committee, Sternberg said he had conferred with the bond consultant and was told actions by the present council would be legal and binding, and that what happens after the April 4 election "can be handled at that time."

He added that Mayor Parnley had agreed to sign the contract with Horace Calvo for the bond attorney post once the council acts on the proposals necessary to get the proposed \$14,000,000 city-wide sewer and drainage program going to continue qualifications for the \$1,500,000 grant already approved for the city.

Adopted unanimously was a resolution setting May 6 as the date for a bond issue election for the sewer construction to cost the city about \$8,000,000. The city attorney is authorized to prepare the ordinance setting forth all legal data.

An agreement with the St. Louis law firm of Charles E. Trauerlich, bond consultant, also was approved unanimously, as was the contract with the Lochner firm for engineering.

The engineer firm is to review the 1952 sewer and drainage report and make necessary changes and prepare plans and cost estimates. Its fee would be 4.50% if the project costs \$2,000,000 or more. The fee for pumping station construction would range from 13% for the first \$300,000 to 5% if over \$2,000,000.

St. Mary's Boy Scouts Elect Troop Leaders

Boy Scout Troop 47, sponsored by St. Mary's Church, Madison, elected its leaders and troop officers during a meeting Tuesday evening in the school. They are:

Senior patrol, Tom Karpowicz, senior patrol leader; Allen Ratkiewicz, treasurer; Steven Skoklo, scribe; and Tom Fran, assistant scribe. Boy White patrol, Kenneth Bunk, leader, and Steve Dezan, assistant.

Rotarians May Switch To Golf Tournament

Granite City Rotarians heard a proposal from the projects committee Tuesday for replacement of the annual horse show with a golf tournament or similar event to raise funds for community projects. Members also viewed a film "News Highlights 1956-1965."

No decision was reached at Tuesday's luncheon meeting at the YMCA on discontinuance of the horse show, an event that has attracted thousands of spectators to the Quad-Cities each August and benefited various charitable enterprises. Alvin Barnes III, 1967 projects chairman, discussed the recommendation made by committee members.

Len Yelton, program chairman, introduced the narrative movie, provided by a St. Louis newspaper. Newspaper excerpts showed the Nazi and Soviet take-over in Europe in the late 1930s; D-Day and other battle scenes in world war II; the French surrender to Dien Bien Phu, Vietnam; and action in Indo-China and Laos to the present conflict in Vietnam.

Other highlights were the late Gen. Douglas MacArthur reviewing the Corps of Cadets on his final visit to West Point Military Academy, and the meeting between President Franklin D. Roosevelt and Prime Minister Winston Churchill.

It was announced that ten local couples will attend the Rotarian "International Ball" to be held Saturday at the Jefferson Hotel, St. Louis. The club is sponsoring the attendance of ten foreign students to the affair.

William H. Thoeke, club president, conducted the business session, attended by 55 members.

Day, leader, and Jerry Nitznik, assistant; Apache patrol, Tom Saksa, leader, and Tom Fran, assistant; and Boy White patrol, Kenneth Bunk, leader, and Steve Dezan, assistant.

Madison County Farm Adviser

"Uglification"

"We are busy at work despoiling our environment, and it is time to start paying the cost to prevent this assault."

In describing the "uglification" he sees all around, H. Clay Tate, editor of the Bloomington Pantagraph, told a meeting of the Co-operative Extension Council chairmen in Urbana recently that we operate this country as though we have the right to "exploit, despoil and desecrate our heritage."

The billboards, air pollutants, auto graveyards and modern machines leave no stem standing all contribute to the desolate picture. "One wonders if laying bare the rolling prairie of the Corn Belt is not an unreasonably high price to pay for the convenience of maneuvering machines," Tate said, "and if fall plowing is not an expensive way to buy time in the spring."

But farmers are not the primary suspects in this "assault upon our environment," Tate noted. More than 300 million tons of gaseous waste from factories, vehicles, garbage dumps and household chimneys go into the air each year. And millions of tons of refuse go into the rivers, lakes and streams to debase the valleys and threaten fish, wildlife and people.

This pollution has been possible because the public is apathetic, Tate emphasized. It is time to consider the cost of pollution prevention and pay that cost. It will be a bargain for posterity, he added.

Tate pointed out that, since it is becoming technically possible to produce the food we need and all we can profitably sell abroad on less acreage than we now cultivate, we should consider how to use the rest of the land. Some of it will go for necessary things—highways, expanding cities, decentralizing factories and commercial enterprises.

But we should plant some of the land to trees, he said. And local and state governments should acquire some of the acres for parks and recreation.

A tremendous job of education lies ahead if we are to exchange the functional and often the ugly for beauty in our environment, Tate said.

People may have resigned themselves to a poor environment because they see no way out, Tate noted. But he emphasized that there is a way out through organized community effort under the guidance of the extension council chairmen and representatives of other community agencies and organizations.

Seeding Trees for Farmers
Seeding trees including several hardwood and evergreen species are available at reasonable cost from two state nurseries. Most species sell for \$15 per thousand trees.

Use of these trees is limited to such uses as Christmas trees, posts, pulpwood, ties, poles, and logs, but they cannot be removed or resold with the roots attached. Trees are to be planted for the purposes of growing forest products, for establishing new forest or shelterbelts or improving existing forests, or game food and cover, for control of soil erosion, but not for ornamental, shade tree or landscape purposes.

Approximately 1000 trees will plant one acre when spaced five feet apart in rows spaced nine feet apart. Minimum order is 500 trees.

Trees should be ordered now. They will be delivered at the proper planting time in early spring. Order blanks and price lists are available at the farm adviser's office.

High Producing Herds
The ten highest producing herds in the Madison County Dairy Herd Improvement Association in January were owned by George Daiber, Waldo Keilbach, Leland Steiner, Harold and Carl Baumann, Sam Dorsey, Marvin Stille, Wilbert Weis, Norman Henke, Vernon Becker and Hilmer and Martin Schenbaum.

The highest producing herd for the month was owned by George Daiber. This herd consisted of 23 cows. The average production was 1.75 pounds butterfat and 48.4 pounds milk per day with an average butterfat test of 3.6%.

Completing the 305 days lactation with a record of 600 pounds fat or more was an 8 yr. old in the herd of Jim Beane with 762 lbs. fat and 22,292 lbs. milk. In the herd of Jim and Edwin Fessler a 5 yr. old with 804 lbs. fat and 16,834 lbs. milk. A 5 yr. old with 638 lbs. fat and 16,546 lbs. milk and another 5 yr. old with 613 lbs. fat and 16,508 lbs. milk in the herd of Willard Blase. In the herd of Marvin Stille a 5 yr. old with 842 lbs. fat and 19,266 lbs. milk and a 4 yr. old with 611 lbs. fat and 16,888 lbs. milk and in the herd of Eugene Meffert a 3 yr. old with 643 lbs. fat and 13,676 lbs. milk.

Miles Named Area Coordinator of Jr. College Campaign

Appointment of Morris Miles of Granite City as Area Coordinator for the Lewis and Clark Community Junior College District "get-out-the-vote" campaign has been announced by County School Supt. Wilbur R. L. Trimpse, chairman of the steering committee of the Lewis and Clark Educational Foundation.

Miles is merchandising manager for the Alton Pepsi-Cola Bottling Co., a past vice-president of the Granite City Jaycees and a member of the Education and Public Relations committee of the Tri-Cities Chamber of Commerce.

He has been serving as a member of the public relations committee of the Lewis and Clark Educational Foundation since the foundation was formed. He will direct the overall vote campaign for Calhoun, Jersey, Macoupin and Madison counties.

A native of Dover, Tenn., Miles has been living in the Quad-City area since 1963. He is a candidate for the school board of the Granite City Community Unit District.

Opportunity For Students
"My association with and knowledge of the field of education leads me to the conclusion that the junior college program in Illinois and the Lewis and Clark Community Junior College District proposal offer a tremendous opportunity to present and future children in our area and our state," he said.

"There are many cases, in the Granite City area as well as throughout the district, where a community college facility will offer a student the opportunity to obtain two more years of education than he would otherwise have received. It is my hope that citizens will respond to the challenge and vote favorably for the proposal," Miles continued.

"We expect to announce additional appointments and a campaign program within the next few days," he concluded.

Miles and his wife, Joann, live with their children, Jennifer Ann and Morris Jr., at 118 Kinder lane.

Two Pianists to Play
Two Missouri high school pianists will present a concert at 5:30 p.m. Sunday in the Southern Illinois University - Southern campus library. They are Susan Huntman of St. Louis and John Spradling of Webster Groves. They are being presented as a result of auditions held last spring in the Young Artists Recital series.

William L. Harris Named President of YMCA Board

William L. Harris, 3136 Princeton drive, was named president for the past several years and of the YMCA board of directors recently acted as arrangement at the executive group's annual chairman and master-of-ceremonies Monday in the monies for the 1967 general YMCA auditorium. He succeeds meeting and awards program. M. G. Reinhardt.

The new president is general Harold R. Fischer, first vice-manager of Wagner Seven-Up president; Arthur D. Roseman, Bottling Co. of Madison, Harris second vice-president; Mrs.

FUTURE PLANS for the YMCA appear to meet with the approval of newly-elected YMCA board president, William L. Harris, (right), and Harold R. Fischer, YMCA first vice-president. The two conferred on new YMCA programming, following Monday evening's annual election of board officials.

Backs into Fence

Clifford T. Robinson, 20, of 2402 Kirkpatrick Homes, was arrested by Madison police at 10:45 p.m. Monday on a charge of destruction of property. The complaint was signed by Mildred Johnson, 1304 State street, who

told police Robinson backed his day in a collision with another 1967 model auto into the fence in her yard, damaging it.

Reando told Venice police he was driving east on Broadway when the other car pulled out of Seventh street. Reando's car was damaged in the right front.

An auto driven by Walter Reando, 719 Brown street, Venice, was damaged at 4 p.m. Mon.

Michael E. Modrusic, 25, son of Mr. and Mrs. Nick D. Modrusic, 711 Lee avenue, Madison, was promoted to Army Specialist fourth class while assigned to the Chaplain Section at Headquarters, U. S. Army, Vietnam, in Tan Son Nhut.
Spec. Modrusic, a chaplain's assistant, entered the Army in March 1966 and arrived overseas last September after attending the Chaplain Assistant School at Ft. Ord, Calif. He is a 1959 graduate of Madison high school.

Larry Whitford, 10, son of Mr. and Mrs. Gordon Whitford, 2808 Emme street, will be out of school for several more weeks because of an infection that set in after he stepped on a nail about two weeks ago.
The boy, a fifth grader at Washington school and a Press-Record newsboy on the Hardin, Rosevelt, Emme and Morgan streets route, injured his right foot while at play after school. The three-inch nail almost completely went through his foot.
Larry has been in the hospital

Nancy Ann is the name chosen by Mr. and Mrs. William Dimittroff Jr., 2263 Edison avenue, for their daughter born Feb. 24, at St. Mary's Hospital in East St. Louis.
The infant, who weighed five pounds and 11 ounces is the couple's first child. Mrs. Dimittroff is the former Miss Rita Rensing.
twice, and has undergone surgery to clear the infection. He is in Room 411 at St. Elizabeth Hospital.

A detailed report on the status of south Nameoki road right-of-way acquisition is to be submitted to Granite City council members at next week's session, called later this year. The \$700,000 widening and improvement project is to extend from Madison avenue to Edwardsville road.
A drainage problem at Nameoki road and St. Clair avenue is to be called to the attention of the state highway department and the contract for correction as quickly as possible.
Sternberg said the state highway department has agreed to

making of notices for removal of encroachments - this week correct another drainage problem in the 1400 block of Edwardsville road. Storm water is flowing on private property at the home of R. H. Prehn, 3218 Westchester drive. There was no trunk there, and Prehn had a new connection installed at a cost of \$330.
A resolution for an additional \$814 motor fuel tax funds as the city's share of the improvement cost for Maryville road is approved and will be forwarded to the state for final authorization. The city's cost was set at \$37,879, while the MFT allocation was \$35,065.
Authorization also was given

May Sell City Garage
Possible sale of the city garage site at 19th and Benton streets to Aro-Dressel Foods Corp. was discussed briefly. Sternberg recommended the city have the property appraised, or if an appraisal is on record, that it be updated. He added that the city's willingness to sell the property for possible expansion of the dairy should alert realtors to the city's need for another site for its street department garage.
The city has been using property at 19th and Adams streets, owned by the dairy, to store its vehicles, equipment and stockpile of cinders and salt.
Placed on file was a second request from Hubbell Metals, Inc., for improvement of 16th street along the Terminal Railroad Association tracks adjacent to the Granite City Industrial Center. The first request was made last November.
Sternberg also reported that appraisals have been completed on two small parcels of ground needed along the alley at the rear of the city hall and Elks Club.
The Street committee was requested to prepare another listing for the annual bid call for supplies and materials.

Treatment Plant Costs—\$111,270 In Seven Months

The financial report on Granite City's sewage treatment plant showed a \$23,000 balance on Jan. 31, after disbursements to bring \$111,270 since the operation started last July.

The report was presented to the council Monday night by Alderman Moertien, chairman of the Pollution committee, who noted that objections to the treatment fee by individuals and firms are "piling up." He asked for a meeting of the committee and city attorney to go over the problems and possibly set a policy for council approval.

Moertien said problems among the plant employees and the superintendent have been called to the attention of the committee and should be resolved through union representatives. He said the problems were of personal nature, and that the committee would assist in solving them if necessary.

The financial report showed income from fees since the start of the plant have amounted to \$104,250, including \$210 paid in penalties. Disbursements include \$6697 to the Housing and Urban Development Agency, \$28,386 miscellaneous costs, bond payments of \$25,000, interest costs of \$23,942, salary costs of \$26,510 and ground rental, \$533.

30-Minute Debate Limit Before Deferral Proposed

Granite City council members' ot-used tactic to call for deferral to halt debate on any issue was attacked by one alderman Monday night.

Steve Basarich of the Fifth Ward commented that he has found himself unable to enter debates on frequent occasions because of quick deferral motions by two aldermen.

"I want time to be able to take a swing at some of these things," Basarich told the council, and he suggested at least 30 minutes of debate be permitted before any deferral action is recognized.

Basarich admitted he had been in on the deferral actions at council on Basarich's request.

Mayor Partney remarked, "Alderman Courtney should allow the debate."

Basarich replied, "Mayor, you're talking through your hat."

He asked for the city attorney to prepare an ordinance specifying a debate period of 30 to 40 minutes.

Thompson suggested the city could solve the problem merely by following state law pertaining to deferral or Roberts Rules of Order.

No action was taken by the council on Basarich's request.

Restored Old Capitol Building to be Shrine to Lincoln

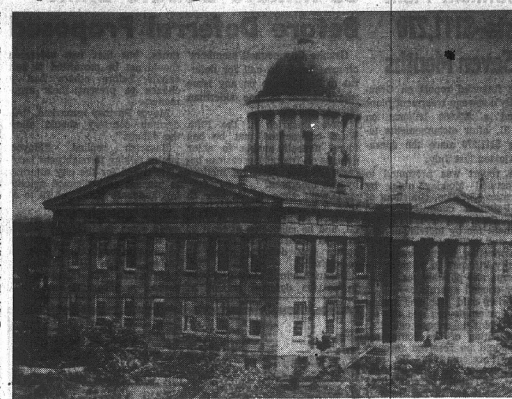

If old buildings can talk, the 114-year old Capitol building at Springfield is probably saying: "Hurry up and get my bones back together again."

For more than a year the regal old building has been under reconstruction. It first was taken apart stone by stone, each piece numbered and stored for re-use. Its foundation was deepened about 38 feet. Next comes a new steel skeleton and then it will be put back together again.

Through a \$975,000 appropriation from the State Legislature and \$30,000 raised by the Abraham Lincoln Association the historic structure will be restored and become the nation's newest shrine to Lincoln. If all goes as now scheduled the new-old-building will be ready to welcome visitors by early spring of '68 and coincide with the Illinois Sesqui-centennial, the 150th birthday of the master it served from 1840 to 1876.

Historical Library
Combining the aesthetic with the practical, the restored edifice will look just as it did when Lincoln walked its halls but its underground will be used in a modern way. The Illinois Historical Library will be housed in its basement, offering more space and complete security for its irreplaceable books and documents. Spreading out over the rest of the block will be a handy, modern underground parking lot for visitors.

The venerable building has enjoyed rest of both adoration and disdain. When the General Assembly of Illinois first moved into it in 1840, everybody was mighty proud of the two-story Greek Revival structure with its impressive four-pillared porticos and artistic cupola on top. It was built of gleaming white dolomite, a form of limestone that is sometimes called "Illinois marble" and came from a nearby quarry

ILLINOIS OLD CAPITOL BUILDING at Springfield is shown in a photograph from the years immediately following the Civil War and as it will look again when it is completely restored.

that is now covered by Lake Springfield.

During its first 36 years its walls resounded with historic words and its halls knew the tread of now-famous feet. From the cupola and dome on top, it Lincoln told the nation "A house divided against itself cannot stand . . . this government cannot endure half slave and half free."

Final Goodbye to Lincoln
In May of 1865, it was the spot where America said the final goodbye to the martyred president when his body was returned to Springfield for burial. A cata-

falque was erected at the speaker's rostrum in the Hall of Representatives where Lincoln had served. Photos show that mourning drapes completely covered the cupola and dome on top. Stephen A. Douglas, "The Little Giant," sent his sonorous voice to its farthest corners. Ulysses S. Grant walked its halls as a young clerk in the office of the Illinois adjutant general.

But by the end of the Civil War Illinois had grown so much the building was declared too small and a new first floor was inserted.

Served Sangamon County Still proud and indomitable, it

was built on a little hill the west of the center of town. State officers and legislators moved in the new Capitol early in 1876 and the state sold the old building to Sangamon County for use as a courthouse.

After 20 years in this service the old building was again in disrepute. It was again declared too small and its roofs and cupola had been cited as fire hazards.

So it was literally lifted eleven feet and a new first floor was inserted.

Served Sangamon County Still proud and indomitable, it

continued, to serve Sangamon County when its inhabitants deserted it for a new and modern Springfield courthouse and jail.

Should it be torn down—and forgotten? A lot of Illinoisans didn't think so and they urged that it be preserved and restored. So today the old building is having the last laugh on those who thought it was too old to continue in service. The inserted part is being taken out and when the restored structure is complete it will be back in its original architectural glory.

From here on it will be tended with loving care by the State of Illinois and will become the newest national shrine to the man from Illinois whom the world refuses to forget.

More than four million persons toured the Illinois "Land of Lincoln" Pavilion at the 1954-56 New York World's Fair to pay tribute to Abraham Lincoln and hear and relive his prophetic words. With this new shrine and museum, Springfield, Illinois, will become an even more compelling stop for the tourist.

Tribute Is Planned
Scholars and historians will join with architects and designers to plan the interior of the building. Tentative plans call for some type of moving tribute to the 16th President plus display rooms for the many valuable documents and memorabilia now owned by the state.

There are also suggestions that some space be devoted to the glories of Illinois today so that tourists may share the goals of the future as well as the time-honored past.

For information on the Old State Capitol write the Illinois Dept. of Conservation at Springfield.

Reports on Progress

IN RAW MATERIALS...
an Iron ore mine and pellet plant at Pilot Knob, Missouri scheduled to go into production early in 1968.

IN STEELMAKING...
the basic oxygen furnace plant which will boost annual steelmaking capacity 30% . . . scheduled for mid-1967 completion.

IN ROLLING...
the 80-inch computer-controlled hot strip mill, one of the most advanced and powerful rolling mills ever built . . . scheduled for mid-1967 completion.

IN GALVANIZING...
a third continuous line for applying a protective zinc coating to a moving strip of sheet steel went into production late in 1966.

The 1966 Annual Report was mailed today to the 21,700 stockholders who own Granite City Steel Company, largest steel producer in the St. Louis area and a supplier of plate, hot and cold rolled sheet, galvanized sheet and other flat rolled products to a 25-state market in the Midwest, South and Southwest.

To a New Level of Competitive Strength
The following is quoted from the Letter to Stockholders by Nicholas P. Veeder, chairman of the board and president:
"1966 was the third straight year in which we have operated at a fairly high level in relation to the present capacity of our plant. It was also the year in which we began an intensive effort to inform customers throughout our market area about major new facilities we are building to lift Granite City Steel off the plateau it has been on for the last several years and raise the company to a new level of competitive strength and importance in the steel industry."
"Change does not take place overnight in this big volume, heavy capital industry. It was 1964 when we began to engineer and arrange financing for the largest expansion and modernization program this company has ever undertaken and it will be mid-1967 before the two largest facilities are completed."
"We have much to gain from this program. The elimination of production bottlenecks in our rolling and finishing departments will allow us to take full advantage of future peak periods in the demand for steel. We will be able to produce a broader line of flat rolled products and to compete for a larger share of the growing market for our products."

A Notable First
The Annual Report points out that Granite City Steel will score a notable first in 1967, becoming the first steel producer in the United States to make all its steel in basic oxygen furnaces and then roll all the slabs from that steel on a new computer-controlled hot strip mill. Steelmaking and hot strip rolling are the largest operations in a flat rolled steel mill. They have the most to do with product quality.

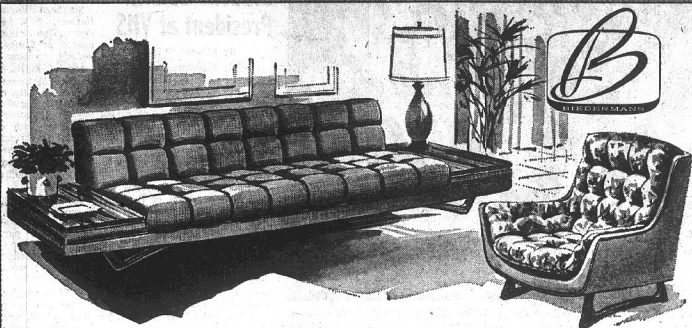

The 1965-1967 investment in new technologies is making Granite City Steel a much stronger producer of that basic industrial commodity, flat rolled carbon steel.

Prusak Volunteers for Legal Aid Program

Max Prusak, 2232 Waterman avenue, is among 48 University of Illinois college of law students who have volunteered to work without pay in Champaign county's legal aid program.

The students will assist two legal aid attorneys in interviewing, legal research and investigation. The program is financed by the U. S. Office of Economic Opportunity and is operated by Prof. John W. Cannon.

Prof. Cannon also has work which was accepted in the Mid-State show, at the Marlin Holden of Alton, another advanced student in ceramics.

The exhibition will run until March 12 at the museum in Evanston.

Ceramic Exhibition By Knipping Accepted

Carter E. Knipping, Rural Route One, has received word that his ceramic exhibition, "Zuni Pot," has been accepted in the 1967 Mid-State Crafts Exhibition at Evansville, Ind.

Knipping is an advanced student in the ceramic workshop at the Southern Illinois University-Southwestern campus where he has been working with Prof. John W. Cannon.

Prof. Cannon also has work which was accepted in the Mid-State show, at the Marlin Holden of Alton, another advanced student in ceramics.

The exhibition will run until March 12 at the museum in Evanston.

High School Art Now Being Shown At SIU-SW Campus

Art work of high school students in the two-state metropolitan area is being exhibited at Southern Illinois University-Southwestern campus today and Friday in connection with a high school visitation program being planned by the fine arts division.

Being held in the arts section of the Science and Technology building, the program also includes slides of selected works in the state of Illinois from the Springfield Museum show of 1966, a studio demonstration, and slides showing the accommodations at the SIU-SW campus.

The two-day high school visitation program will be followed on March 11 by a symposium—"Relationship Between the College Art Program and the High School"—for area art teachers and for those in the teacher training program.

Speakers at this event will be Prof. Harry Hilberry, chairman of SIU-SW's art faculty; Prof. John Richardson and instructor Michael Smith, both of SIU-SW; Mrs. Alice Pearce Ulbright, coordinator of the art program for the Ferguson-Florissant district, St. Louis; and Harvey Mueller, instructor, Belleville senior high school, west. Mrs. Buddenmeyer will act as moderator.

The symposium, which will be held from 2 to 4 p.m. in the lecture room in the Science and Technology building, will be followed by a reception in the foyer.

The public is invited to all of the events, Mrs. Buddenmeyer said.

Don Agers Promoted To Airman 2nd Class

Donald R. Agers, son of Mr. and Mrs. Richard S. Agers, 141 Third street, Madison, has been promoted to airman second class in the U. S. Air Force.

A fabric-leather-rubber repair specialist at Forbes Air Force Base, Topeka, Kans., he is a member of the Tactical Air Command which provides combat reconnaissance aerial firework and assault aircraft for U. S. Army forces. He is a graduate of Venice high school. His wife, Sandra, is the daughter of Mr. and Mrs. John M. Wideman sr., 4901 Carl street.

SIU-SW Vocal Groups To Perform at MHS

The Male Chorus and the Women's Glee Club from the Southern Illinois University-Southwestern campus will perform for Madison high school students at an assembly at 12:30 p.m. Tuesday.

There are about 110 students in the touring company who are directed by Dr. Leonard Van Camp. It will be the first time that university vocal groups have appeared at area high schools.

Lunch will be provided for the group in the school cafeteria.

Dr. Van Camp and the two vocal organizations will be introduced by Stephen Shipcoff, president of the Student Council. The tour manager is Glenn R. Hirsch.

Six GC Students Attend Peru State College

Six Granite City students are among 983 enrolled at Peru State College, Peru, Neb., for the spring semester, a three per cent increase over a year ago.

They are Charles Mironski, 2867 Madison avenue; George Moore jr., 1929 St. Clair avenue; Nick Perillo, 2201 Monroe street; James Rains, 2210 Dewey street; Douglas Winfield, 1845 Bremen avenue; and Ron Yates, Rural Route One.

Student Tours Chicago

Richard McKimney of Granite City, a junior music major at Simpson College, Indianola, Iowa, recently was on a tour in Chicago with the Simpson Madrigal Singers.

Freshmen and sophomores at Southern Illinois University are required to enroll in a general studies program which provides a broad foundation of knowledge in basic areas.

Jim Miller Named Student Council President at VHS

By SUSAN STERN

Student Council elections climaxed a week of Student Council activities last week at Venice high school.

Officers for the 1967-68 school year are Jim Miller, son of Mr. and Mrs. James Miller, 207 Abbott street, president; Sharon Maurer, vice-president; and Margie McGarrhan, secretary.

President Jim Ochoa announced the results of the election at the Venice-Marquette district basketball game Friday night.

The campaign speeches were presented at the monthly all-school assembly that morning.

Feb. 21 was "Pig Day" and the Student Council elected Jolee Meehan as Queen Pig, the girl who was dressed the sloppiest for the day.

The Girls Athletic Association chartered a bus to Edwardsville so that members could attend Monday night's regional basketball game against Alton. Mrs. Annetta Ohlendorf was the faculty sponsor.

Miss Taylor Initiated Into ISU Pacesetters

The Pacesetters, a new women's service organization at Illinois State University, Normal, has announced the initiation of 22 charter members.

They include Roxie Taylor, daughter of Mr. and Mrs. Willie Taylor, 100 Booker street, Madison, a sophomore in elementary school age through the sixth grade.

SIU Students Write 78 Children's Books

Southern Illinois, lush land of folklore, is a bonanza for students in an elementary education course at Southern Illinois University, Carbondale.

Nearly four-score students in Bernice McLaren's fall class in Children's Literature—72 undergraduates and six students working on advanced degrees—have come up with children's book manuscripts ranging from 25 to 100 pages of words and illustrations. Most have resulted from chats with Southern Illinois people.

Miss McLaren, a native of Toronto, Canada, said she had learned in the east that southern Illinois and parts of Missouri were among the country's richest sections in folklore and her initial experience at SIU is proving it.

"There usually is a two-year period from the germ of the idea until a book reaches final form in the hands of a publisher, but the work of producing book 'dummies' was done in 12 weeks," the teacher said.

Dummies, or original drafts, of the 78 book manuscripts are on exhibit in north corridor wall cases of Morris Library. Also in the display are some published books related to the work done by the students.

Among the originals are such titles as "Slither the Skunk," "Runaway Chick," "There Once Was a Cat," "Randy," "The Bishful Burglar," "Johnny Devil," "Alfie the Worm Who Wanted to be a Snake," and "The Tree House Trip." All are directed to children from preschool age through the sixth grade.

Denise Madrid is Maid To Miss Jr. Achievement

Miss Denise Madrid, 15, daughter of Mrs. Anne Madrid, Twin Oaks, was a maid in the court of honor of the new Miss Junior Achievement in ceremonies last week in the Khorassan room of the Chase-Park Plaza hotel, St. Louis.

She is a sophomore at Granite City high school and is a member of the Reyno Junior Achievement company, sponsored by General Steel Industries. She was escorted by Bradford Pulaski.

The new queen is Barbara T. Heckman, 16, of St. Louis, a sophomore at Bishop Dubourg high school. The crowning was conducted by Miss Sharon Koch of Granite City, the retiring queen.

The Junior Achievers Association at the Granite City center planned an orchestra dance to be held Saturday night at the center. Music will be furnished by the Misses, and refreshments will be served.

An outdoor event is to be held in April, and under discussion are horseback riding and a winter roast and a boat ride.

Present at the association meeting Sunday were Jennifer Bailey, Chuck Hansen, Kathy Levart, Beth Eck, Mike Mayes, Kathy Wakefield, Dave Howard, Brenda Brown, Denise Madrid, Gary Mofford and Brad Pulaski.

Mike Mayes was elected president of the association, Kathy Levart was named secretary and Brenda Brown is treasurer.

Mark St. Ivany was elected president of Amco, an American Steel sponsored firm which produces and sells fudge. The firm's former president resigned.

CORONATION SCENE in which Barbara T. Heckman, 16, of St. Louis, was crowned Miss Junior Achievement at the annual J. A. ball Friday night. In the court are, left to right—Sandra Baird of Alton, Cathy Hutchison of Florissant, Mo.; Carol McMullen of St. Louis, Vicki Wilson of Wentzville, Mo.; Delaine Boyd of Kirkwood,

Mo.; Barbara Heckman, Sharon Koch of Granite City, retiring queen; Becky Schilling of St. Louis, Denise Madrid of Granite City, Carol Gentry of East St. Louis and Martha Komorny of Chesterfield, Mo.

JUNIOR ACHIEVEMENT TREASURERS at the Granite City center work on the books of companies sponsored by the A. O. Smith Corp. Seated left to right are—Pat Wood, Linda Kramer, Barbara Garner and Kathleen Judy. Advisors standing are, left to right—Conrad Bowers, Alex Dumoulin and Cathrine Riggins.

Speech Team Ranks 5th In Sectional Contest

Granite City high school ranked fifth among 31 schools participating in the sectional speech contest held on the weekend at Belleville. Six students participated.

Philip Spiceland, who ranked second in after-dinner speaking, became eligible to enter the state contest to be held March 31, April 1 in Peoria.

Other GCIS students were James Peters, third in oratorical declamation; Eric Wehhardt, fourth in extemporaneous speaking; Linda Sabo, fifth in serious reading; Bill Harris, sixth in comedy reading; and Kenneth Graham in verse.

"Tale Time" of Short Stories to be Presented

The Readers Theater of American Short Stories at the Southern Illinois University Southwest campus will present a program at 8 p.m. Friday and Saturday compiled by one of its speech instructors, Mrs. Warren Usrey.

Although the script, which Mrs. Usrey has entitled "Tale Time," is "heavy with comedy, it also has an academic twist," she said. "It has a message as well as fun pieces." Patricia Dinelf, 1628 Maple street, a student, will act as stage manager.

Linda Hollis Selected For Five-Country Tour

Linda Hollis, daughter of Mr. and Mrs. Glen R. Hollis, 3300 Wabash avenue, has been selected to participate in the first annual International Horizons Program sponsored by the St. Louis Council of World Affairs.

Student participants are being briefed on the cultural and historical backgrounds as well as the political climate of five countries which they will visit from June 14 to July 11.

Students were selected on the basis of a written application and recommendations of educational and community leaders. The last briefing session for the students, their parents and friends was held last Sunday in the Tiara room of the Chase-Park Plaza hotel in St. Louis.

Coolidge Band to Play Concert Tuesday Night

The Coolidge junior high school concert band, composed of 120 young musicians, will take the stage to present a mid-season, lero' and Herb Alpert's Tijuana hour-long concert at 8 p.m. Tuesday in the Granite City State school auditorium. The presentation will be directed by the administration played by Dennis Meyer, Kevin Nicol, Jeff Jolly, Richard Warren Jr., Mark Freedman, William Simpkins and Bob Jones.

The eager group of schooled musicians has prepared a program of selections designed to showcase their versatility and offer something of musical interest for all facets of listening and enjoyment, Todoroff said. In the area of classical music, the selections: "A Mozart Festival," "Espana Rhapsody" and "Polovetzian Dances" will come with the modern sounds of conceived by Eugene L. Alasi, "Qui Vive" march, "Contrasts" and "Foray at Fairfax."

Music of a more popular appeal will include Mancini's "Pink Panther," Yoder's "Swing Boogie," and Herb Alpert's Tijuana hour-long concert at 8 p.m. Tuesday in the Granite City State school auditorium. The presentation will be directed by the administration played by Dennis Meyer, Kevin Nicol, Jeff Jolly, Richard Warren Jr., Mark Freedman, William Simpkins and Bob Jones.

To round out the program, a tune in the Latin-inspired Cuyano percussion section jumping and the audience delighted, the director added. A special aspect of the concert will be an experimental stage "Polovetzian Dances" will come with the modern sounds of conceived by Eugene L. Alasi, "Qui Vive" march, "Contrasts" and "Foray at Fairfax."

Names Selected for ISU Residence Halls

President Robert G. Bone announced today that Illinois State University's new 29-story Southeast Residence Hall complex, planned for completion in the fall of 1968 and 69, will be named the Waterson Towers in honor of the late Dr. Arthur W. Waterson.

Mr. Waterson, who served as head of the department of geography at ISU for 15 years, died last Nov. 9. Because the twin residence towers will be composed of "houses" of five floors each, President Bone said that each house will have a name to enable its residents to identify with his own living facility. The houses will be named for the first 10 United States secretaries of state. Dr. Bone said the name selection committee felt the names of these great Americans were most significant for this complex "because of the growing international implications of higher education today."

Those secretaries of state, for whom the houses will be named, were: Thomas Jefferson, who served as secretary from 1789 to 1793; Edmund Randolph, 1793-1801; Timothy Pickens, 1801-1805; John Marshall, 1801-1805; James Madison, 1801-1809; Robert Smith, 1809-11; James Monroe, 1811-17; John Quincy Adams, 1817-25; Henry Clay, 1825-29; and Martin Van Buren, 1829-31.

Starts Student Teaching

Carol Bradish, daughter of Mr. and Mrs. Joe Bradish, Collinsville, formerly of Granite City, will be doing her student teaching for the next six weeks in DeCATUR where she is a student at Millikin University. She is assigned to Roosevelt junior high school and will graduate in June.

Named Sound Assistant

James Bowers, son of Mr. and Mrs. James Bowers, 2024 Nameoki road, is serving as sound assistant for the "Antigone," Greek legend by Jean Anouilh, to be presented by University Theater Players at Illinois State University March 9-11 and March 12-14 on the Normal campus. Performances will start at 8 p.m.

Summer Music Camp Planned at Carbondale

High school students who attend the "Music and Youth at Southern" summer camp, July 9-22, will have a chance for a compact course in band, chorus, orchestra, piano, stage band, conducting, theory, science of music, music listening and even private instruction at no additional charge.

The two-week summer music camp is a joint enterprise of the Southern Illinois University department of music and the School of Fine Arts, with the cooperation of the Division of University Extension, according to Mel Stener, assistant professor of music and camp director.

In addition to the regular two-week camp, a second Musical Production Session running concurrently but extending a third week, will enable a select group of talented high school students, chosen by audition, to participate in the Broadway musical "On the Town," produced in cooperation with the ISU Summer Music Theater, Stener said. Fees will be \$99 for the three-week session, including room and board (with the exception of Sunday evening meals) in university housing.

Younger students who have graduated from the eighth grade are eligible for both camps, he said.

Miss Schneider Named To Phi Beta Kappa

Gayle Schneider, daughter of Francis D. Schneider, 3306 Bradley avenue, is one of 23 students at Denison University, Granville, O., to be elected to the Theta of Ohio chapter of Phi Beta Kappa, national honorary scholarship fraternity.

Miss Schneider, a junior, is a member of the Denison Chemistry Society, secretary of the American Chemistry Society and a member of Delta Phi Alpha Gorman honorary fraternity. She is a fellow in the chemistry department this year. Installation of new members will be held March 20. Only four are juniors.

Vocal Recital Planned

Mrs. Catherine Cliff Dasal of Alton, a student at Southern Illinois University-Southern campus, will present her senior voice recital at 8:15 p.m. Friday in the Lovejoy library auditorium. She is a mezzo soprano.

GAA Sponsors Reversal Dance

The Girls' Athletic Association of Granite City high school sponsored a reversal dance Friday evening in the girls' gym. Theme was "Reversal" and the room was decorated in that motif.

Sixty-eight couples attended. Each girl was an active or inactive member of the club.

Teachers from the school were the chaperones. Music was furnished by the "Pepet Tones" and dancing was held in the front gym, was called for the evening the "Music Box."

Activities also included a fun house, pictures of the couples, a bean guessing game, spin art, fortune tellers, table tennis, novelty games and a penny arcade. At "house of sweets" was set up in the foyer of the boys' gym serving refreshments and soft drinks.

Each girl presented her escort with a corsage and those winning prizes in this contest were Terry Gage and Janice Scher, most original, and Danny Stack and Carol Flach, most outstanding. They were presented with records made by the Pepet Tones.

James Jeffries, a teacher at the school, won a prize in the bean guessing game. John Jenkins and Kathy Carroll were awarded dinner for two at the Rose Bowl as the evening's prize.

Chairmen for the party were: cleanup, Barbara Fechter; cool check, Cheryl Landis; decorations, Jolene Travis; entertainment, Sharon Bartosik; food, Karen Lutton; games, Dena Potos; program, Fran Juhaz; band, Jane Kerch; and tickets, Carol Studebaker.

Eight Pass Tenderfoot Requirements at Meet

Eight members of new Boy Scout Troop 18, sponsored by Tri-City Knights of Columbus Council 1089, passed their tenderfoot requirements at a meeting Tuesday evening in the K. of C. hall.

They are Billy Moseley, Bill Schneke, Jim Black, Bruce Latimore, Daniel Tegel, Rahni Wood, Laurel Gargac and John Bruch. New appointments included Pat Forsy and Mike Stack, buglers; Danny Tegel, scribe; Noel Lashan, librarian; and Mike Hogan, quartermaster. Mrs. Ferd Pieper was named area chairman of the Mothers Auxiliary.

The troop planned to conduct a light bulb sale soon to raise funds for its activities. Signaling skills and proper pack equipment for hiking were emphasized at the meeting.

Band Concert Carded For SJU-SW Sunday

Violist William Magers, music instructor at the Southern Illinois University-Southern campus, will be featured with the SJU-SW Symphonic Band in a concert at 8:15 p.m. Sunday in the Edwardsville junior high school gym.

He will play "Concertino for Violist and Band," a four-movement work written in 1943 by Morton Gould. George Meliot, assistant professor in the fine arts department, will direct the band.

Members of the band from Granite City are Kathleen Chastain, flute and piccolo; George Johnson, trombone; Almada Lahr, E-flat clarinet; Barbara Newhouse, bass clarinet; Donni Randall, trumpet; and Terry Van, trombone.

Science Fair Being Held at Venice School

Seventh and eighth grade students at Venice school are holding their sixth annual Science Fair today and Friday.

Every student in the two classes has an exhibit on display. Robert Blattner, eighth grade teacher, said. Parents and the public may view the displays from 1:45 to 3 p.m. both days. Pupils worked three months on their exhibits.

2 Area Students Earn Degrees at U. of I.

Diplomas for 1961 mid-year graduates of the University of Illinois, including two from the Quad-Cities, are now being prepared. The total includes 979 baccalaureate and 353 advanced degrees.

The local graduates are Barbara Jo Libby, 1828 Venice avenue, who earned a bachelor of science degree in physical education, and Andrew Joseph Purdes, 1830 Sixth street, Madison, who received a master of science degree.

No commencement ceremony is held at mid-year and preparation of diplomas is begun only after all grades are reported and verified. Diplomas will be mailed to recipients about April 1.

Winners of individual exhibits, being judged by Roger Davis, grade school principal, and Lewis Sabin, high school principal, will receive trophies, certificates and ribbons.

Welcome Club Hears Park Supt.

Park Supt. Harold Brown was guest speaker at a monthly meeting of the Welcome Wagon club Monday evening at Hope Lutheran Church. He outlined park activities.

Programs described were recreation, opera trips with a bus provided for transportation, preschool classes, "music under the stars," swimming, baseball and softball, leagues for children and adults, trips for children to the zoo and other points of interest in this area costing them only the price of the bus, junior and senior girls' lessons in tennis, bowling and golf, children's theatre and many others.

The Granite City park district employs 110 summer workers for programs in which 3000 enroll. Brown also noted that the new ice skating rink will be ready for use in October of this year.

As part of his program, he instructed the members in "spin art" and they completed articles to take to their homes.

Mrs. Harriet Lovins, president, conducted a brief business meeting. The members discussed a charity project and will hold a "hobby auction" at their May meeting.

WOULD YOU BELIEVE?

- WOULD YOU BELIEVE it was over 100° for 6 days straight last summer?
- WOULD YOU BELIEVE that for several days, we were the only store in Granite that had air conditioners to sell last year?
- WOULD YOU BELIEVE that we did not raise our prices during the heat wave even though we paid more to get air conditioners?
- WOULD YOU BELIEVE that they are predicting an equally hot summer this year?

Well, you had better believe it! Last year a great many people had to suffer because they couldn't find the right size air conditioner for their home anywhere in the St. Louis area. If you were one of them you know what we mean. Legislators Hampered By Way in Which Their Work is Organized

By RONALD HAINES
University of Illinois Student

Citizens expect a lot of their governments today. And when government does something wrong, it fails to do something. Citizens are told in their newspapers that the legislators' jobs are not as easy as they are in our state government.

In Illinois, the general organization of the legislative rules and the working conditions of the legislators are a great effect on the quality of government.

In judging the quality of our government, we are ignoring this effect.

In 1965, 1966 or 61% of the bills passed in that session were passed in the final week of the session.

It is obvious that very few legislators knew enough about every piece of legislation to vote intelligently. Yet isn't this what is expected of elected officials?

The reason for this final onslaught of bills is Article IV, section 13 of the Illinois Constitution, which states that all bills are to take effect on the next July 1 after the bill is passed.

There is a great rush to get bills passed in the latter part of June, especially the last week. The Katz Commission (Commission on the Organization of the General Assembly) proposes to alleviate this end-of-the-session "log jam" by suggesting that bills become effective 30 days after they are signed by the governor.

The Katz Commission would still keep July 1 as the target date for legislative adjournment.

Legislation Schedule. The commission would also try to change the human nature of procrastination by proposing a schedule for the presentation, discussion and passage of legislation.

This would be done by a joint rules committee, consisting of leaders of both houses of the General Assembly.

Such a timetable would schedule final action on all bills no later than the last month of the session. This would give the legislature time to vote again on measures vetoed by the governor.

Working Conditions. The working conditions of the legislature also were discussed by the Katz Commission, and these proposals were made:

1. Each legislator be provided with an office in Springfield while the legislature is in session.

2. Each legislator be provided with a secretary, hired by the General Assembly, during the session.

3. Legislators be given access to toll-free telephone service to and from the capitol building.

While this accusation may be proved true, it generally is recognized that for the legislative process to be made more effective, each individual legislator must be able to do his job without being bogged down by the many hindrances which can be easily written out of Illinois government.

The average worker or participant in a business or industry is never investigated or accused of a crime by the state or federal government.

At this time, the current rumor seems to be that a former legislator is being investigated for a crime. This is a very serious charge, and it is a shame that a legislator should be accused of a crime while he is in office.

A motorcycle club with 23 charter members was organized at the home of Dan Jones of Washington, D.C. The new organization will be known as the F.A.M. Motorcycle Club.

which has increased employment at the plant.

While no confirmation of the building program could be obtained from company officials, it was learned that the proposed new office building is to have a grand entrance on Madison Avenue and will occupy part of the wheel department site.

Since the plant went into full production in 1965, no and tubes have been issued by freight car wheels have been the board to other local motor-mechanics.

Three industrial construction jobs aggregating approximately \$200,000 are being handled by Wilson & Co., local builders.

One of the projects is a smokehouse at Swift & Co., another a generator building at the Shell refinery, and the third is a loading structure at a defense plant near here.

Three licensed investigators of the office of Secretary of State Edward Hughes will be in the Tri-Cities to arrest all motorists who have not bought their new licenses or who have not renewed theirs.

Objects to City Paying for Appeal

To the Editor:

I have been watching with amazement the antics and shenanigans some of our aldermen are pulling in order to keep two extra aldermen on the city payroll. Yet, I read in the Press-Record at different times where first one and then another of them make statements about how they want to save money for the taxpayer.

It seems to me that if they really want to save money for the taxpayer, they would have long ago complied with the law and cut down to seven wards and 14 aldermen.

For the 12 years we have had the two illegal aldermen, it costs the taxpayers in salary and expenses over \$30,000 just to keep the two extra aldermen. This in the last 12 years I could not pay my taxes on time; I paid them at Edwardsville and was forced to pay a penalty.

I read with satisfaction in the Feb. 27 Press-Record that Judge Streep had handed down a sweeping decision that we must elect only seven aldermen and not later than Dec. 1, 1968, redistrict to seven wards. This sure deserves a lot of credit, for

he knew he was displacing most of the aldermen of Granite City. What are so many of them worried about? The aldermen in my ward tell me they know that Granite City should have only seven wards and 14 aldermen.

The city council, knowing this, should have done what the law says and not have restricted just before election time to eight wards and 16 aldermen. Who were they trying to save?

Were they daring someone to take court action?

I am a taxpayer in Granite City and I think it is extremely wrong for the aldermen to take our tax dollars and defend their apparent wrongful actions just to keep themselves in office a little longer.

I do not know Floyd Miller or he can't afford his young man's membership plus \$1 a day for a steam bath, not to mention the lack of an Olympic weightlifting bar. The prices and facilities might cause other promising young athletes to go elsewhere.

The YMCA is supposed to provide our youth an opportunity to stay out of trouble and off the street. Something should be done.

LINKS FIRING OF SON TO DELAYED ENLISTMENT

To the Editor:

I have a son in the Navy, serving in the Philippines and a son who is ready to go into the service. Rather than waiting to be drafted, he also enlisted in the Navy last Friday. Because enlistment quotas are full, he won't leave till July 5.

What do you think of a local company that fires a boy because he enlists? Their excuse was that they are reducing their staff. He had been enlisting, paying more but turned them down because he didn't want to just quit. He was planning to do obligations, as he is planning to do again.

But what of the community's obligations to its boys? If they don't have a job and probably won't be able to get another for the short time he has before he leaves for the service, what then?

The company forgets that if it weren't for boys like him, it wouldn't be able to exist. It wouldn't be able to sleep peacefully at night except for our servicemen protecting them and their families.

I wonder if the same thing will happen to others who enlist. Who will be next?

GRANITE CITY MOTHER

(Editor's note: The firm says a general reduction in the work force occurred. Described as a good worker, the individual was offered a transfer from the ship painting department to production work. Before giving an answer he was left waiting for various weeks. He did not report the effective date by the time he did report the date the production position had been filled, a spokesman said.)

STILL OPPOSES 'Y' FEES
To the Editor:

The Granite City YMCA receives rent from dormitory rooms plus an amount each year from the United Fund. The Alton "Y" has no dormitory rooms to rent and receives a similar amount from the United Fund.

A steam bath, swim and complete workout in the well-equipped Alton "Y" cost \$1 a day or \$8 a year, while the Granite City "Y" charges \$2 or \$80 for this combined team at Collinsville.

A 17-year-old Granite City high school student has competed against adults in various weightlifting contests, including the Ozark AAU, Illinois state and Mid-America championships. As a weightlifting coach, I believe

he has the physical ability to become an Olympic champion.

He is quitting the "Y" because he can't afford his young man's membership plus \$1 a day for a steam bath, not to mention the lack of an Olympic weightlifting bar. The prices and facilities might cause other promising young athletes to go elsewhere.

The YMCA is supposed to provide our youth an opportunity to stay out of trouble and off the street. Something should be done.

SCHOOL NEEDS SUPPORT

To the Editor:

This concerns the people of Venice, not only the ones with obligations to the public school who have an interest in their city. At our February meeting the PTA had only six members present.

It was a disgraceful and I'll bet the man who came to present the unit with an American flag thought, "What a school!"

The PTA is trying to get the parents together to know one another. Twice a year it treats the children to ice cream and soda, and they look forward to it.

We need greater official and public backing.

The St. Mark's PFA and Lincoln PTA pull together within their groups and are very active. It seems to me that we have worked hard to have a good program for the whole year, but we don't intend to attend.

Three members of our PTA attended a district meeting in Collinsville and asked what we could do to get more people. We told them we were from the Venice school the group said, "No, the figure is from the district to realize what other schools thought of our school."

Venice people need to start pulling together, not against each other.

PTA MEMBER

CHAMPION TEAM PRAISED

To the Editor:

Congratulations to Coach Rich Williams and his fine high school basketball team at Collinsville for high school on bringing home both the Madison County Conference and tournament championships this year. The best of luck to our senior high school team.

HAPPY WARRIOR

Tax Question-Dividend Listing

By Jay G. Philpott
District Director

Q—I understand that the first \$100 in dividends is not taxable. Does that mean I don't have to list that on my return?

A—All dividends received should be reported on your return. Page 2 of Form 1040 has a line where you may take the exclusion you refer to. Note that this is \$100 for dividends of qualifying domestic corporations.

On joint returns where both husband and wife receive dividends, each may exclude up to \$100 of such dividends.

Q—I moved and didn't get my 1940 tax package. What should I do?

A—Copies of forms and instructions are available at any local IRS office as well as at many banks and post offices.

Q—How should I make out my check for the balance of tax I owe?

A—Checks should be made out to the Internal Revenue Service. Never send cash through the mails. Use a check or money order.

Q—Do you need to have records of your medical bills, contributions and other items when you take the minimum standard deduction?

A—No, you don't. The minimum standard deductions, like the 1965 standard deduction, makes it unnecessary for taxpayers to itemize or substantiate deductions.

Cautions Outlined.

Q—How can you tell a "fly-by-night" tax return specialist from one who is reliable and honest?

A—Here are a few things to

Eagle Park Residents Work and Plan Together to Upgrade Community

Four years ago, Eagle Park residents depended on sheer luck and good eyesight to avoid stumbling after dark into open ditches or on rutted roadways. Housewives were forced to obtain water for washing, drinking and other household chores from outside sources. Cooking, for the most part, was by kerosene or wood-burning stoves.

Today, vast improvements are taking place in the self-governing all-Negro community, located southeast of Madison. Many projects already have been accomplished, and prospects appear bright for further upgrading and rehabilitation.

Credit for the unincorporated community "getting on its feet" is being given to a majority of the 1200 residents themselves. Most will quickly admit the prime mover behind almost all community improvements is Cleveland L. Johnson, president of the Eagle Park Improvement Association.

Guided by Johnson, who firmly believes in the principle that a person or a community survives and grows by one's own efforts, Eagle Park residents today find their neighborhood illuminated at night with 27 streetlights, city water in 95% of their homes and 90% of the families now served with city gas service.

Need More Hydrants
Big problems still face those living in the subdivision. One is an urgent need for additional fire hydrants to prevent the usual total destruction of an Eagle Park home in which a blaze ignites. Hydrants also would enable residents to secure adequate fire insurance coverage—now almost non-existent. At the present time, only one hydrant serves the entire area.

Sanitary sewer and drainage systems also are greatly needed in the area, and Johnson envisions the addition of a community center, where social and educational activities could be held.

"If such a building were available here, we have been offered the services of two physicians who are willing to come into Eagle Park to provide treatment for residents one day each week," the association president explained.

But, even with the area's needs and despite the lack of an official government organization, new homes dot the area. Most houses under construction are being built in compliance with

the Madison county building code.

Brick, Stone Homes
A large proportion of the newer houses are constructed of brick, stone, fabricated stone or frame and brick combination.

Several residents are constructing new brick homes adjacent to their present living quarters. Others have completed basements in which they are living while finishing the rest of the house.

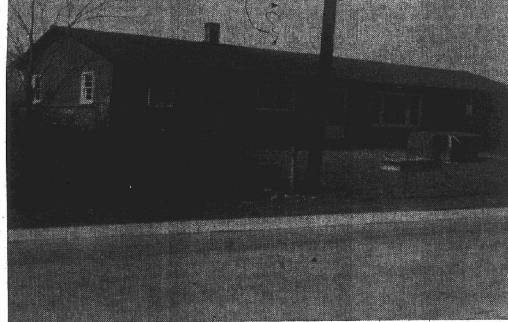

Yards are being cleared of accumulated junk and debris and association officials are planning to complete the job with a concentrated cleanup drive, beginning in April. Roads have been improved and graded with the help of Venice township officials, and storm water culverts are now installed at driveways.

Most Eagle Park residents are now reflecting an attitude of hope and promise of better things in the future through their own initiative, Johnson pointed out.

All are aware of the poverty in the community since the sagging homes and debris still in evidence, but they prefer to point out with pride the new houses and business establishments, gas lines, water system and the new community park area.

New, Five-Acre Park
The park, a five-acre tract of land situated just south and west of the McCambridge avenue viaduct, was donated last year by Mr. and Mrs. John Steele of Granite City. The donors requested the park area be named Johnson Park, in tribute to the efforts of the association president.

Residents display equal pride when they recall the up-hill endeavors of Johnson and other Watson road, who provided \$475 association officials to bring wa-

only fire hydrant. Neighbors of the Gathright's presently are reimbursing them as money can be collected.

The couple also was the first to contribute the \$103 share to Eagle Park's community water project, and it was at the Gathright home on Feb. 20, 1964, that the initial water tap-on was made.

At the present time, individual homeowners are donating \$50 each to a special fund to defray the expense of purchasing and installing nine additional fire plugs at a cost of \$4500. Sufficient money should be raised within the next month to complete this project, Johnson said.

To Homes Destroyed

"Installation of fire hydrants is of primary concern at the present time," the association official said, adding "the current winter months are proving to be the most disastrous for fires in Eagle Park. We've had more than ten homes destroyed by fire since November."

He mentioned Mr. and Mrs. Robert J. Deloach and their family of seven youngsters, whose entire possessions were destroyed along with their home in a December fire.

"The couple is planning to rebuild their house on the same lot with many improvements," Johnson commented. "Most Eagle Park residents prefer living in this community and even though they lose their homes, they want to rebuild here rather than move elsewhere."

Installation and operation of the district's street-lighting system also is due to joint cooperative efforts of residents who pay a yearly assessment of \$4 toward the \$1104 annual operating fee.

A lack of funds in the community over a period of several months required Johnson and Gathright to pay the monthly charge by the utility company and permit the street-lighting system to continue functioning.

Noticeably pleased with advancements made in the subdivision, Johnson recently pointed out that many serious conditions have yet to be remedied.

Self-Help Needs Aid

He believes residents want to preserve an improvement program on a community self-help basis. Johnson said he realizes the need for outside assistance to initiate an expensive and highly technical sanitary sewer and drainage construction program.

He sought and received assistance from Congressman Mel-

vin Price (D), East St. Louis, members of the Madison county board of supervisors and officials of the federal Housing and Urban Development Agency in Chicago.

After several trips to Chicago to confer with HUD officials and conferences with county authorities, an engineering survey is now ready to be started by the firm of Sheppard, Morgan & Schwaab to determine sewage and drainage needs.

Results of the survey will enable federal authorities to decide if Eagle Park Acres can qualify for federal funds to construct the sewer system.

Johnson made the out-of-town trips at his own expense, with the exception of one specific occasion when neighbors took up a collection to pay his way.

Critical of EOC

Normally a soft-spoken individual, on occasions Johnson is highly-critical of the Madison County Economic Opportunity Commission and its lack of initiative in implementing anti-poverty programs of the type needed by his own and similar impoverished areas.

Johnson offers a comparison between projects and services offered by EOC groups in St. Clair county, St. Louis and St. Louis county and the Madison county EOC program.

He cites as an example the all-Negro community of Kinloch, near St. Louis, similar in characteristics to Eagle Park Acres. Johnson said that through the efforts of the St. Louis Human Development Corporation (EOC), Kinloch has received federal grants totaling nearly \$1,000,000, including a \$750,000 appropriation for the installation of sewers, granted on a 90%-10% funded basis.

"Here in Madison county, EOC officials have received funds for several programs," Johnson commented, "but where are they directed? It appears to me they are all going for salaries, paper, gas for transportation and expenses for meetings, meetings and more meetings."

"Any effective EOC programs now under way here in the Quad-Cities are sponsored jointly by the St. Clair county EOC and Madison county EOC," the association president said. He specifically mentioned the Neighborhood Youth Corps, funded by the Department of Labor in the two-county area. "I wonder why Eagle Park hasn't been offered any assistance," Johnson added.

sidewalks, roads fixed better, there as a small child. After fire hydrants. Sidewalks would mean we would receive door-to-door mail delivery. With more fire hydrants we could get our homes insured. And with sewers, there no longer would be stagnant pools of water lying around after a rain, causing additional dirt and disease," the Negro leader said.

"The spirit of the people in the community is good. They realize that in order to have anything, you have to pay for what you get. The struggling folks, but there are always others to pick up the fight so we can all work together. Together the burden is lighter."

"We in Eagle Park want a chance to disprove a great many theories that have been spread around—that the Negro doesn't know how to govern himself and will never be acceptable to people of other communities."

Johnson has lived at 201 Watson road in Eagle Park for the past six years. He is employed by the American Red Cross at 4800 Lindell Blvd., St. Louis. He was born in Cotton Plant, Ark., but left

GRANITE CITY BOARD OF REALTORS

PAUSE— and Think for Just a Moment

Will you be happy, years afterward,
with the home you buy today?

You probably will, if you buy it through a Realtor®

When you tell a Realtor you want to buy a home, he'll begin by analyzing your needs... and asking you questions—some you probably never thought of to ask yourself.

Then he'll show you several homes. Each will suit your present needs... and probable future needs. They will be within your price range... homes you'd be proud to own. Most important: when a Realtor describes or shows a home, you can be sure the facts will be as represented.

BREWER MOTOR

ANNOUNCES
THE CAR
THAT WASN'T THERE

Until now, there was no U.S. built compact car priced between \$1800 and \$2000. Now there is

RAMBLER AMERICAN \$1839*

What we've done is fill the gap between the small-size imports and the large-priced U.S. compacts. Filled it with an American-built compact car at the right price. And with not a single compromise in value.

Rambler American is a full six-passenger car. It still has the strongest standard six of any compact (128 h.p. V-8). It's available with a full line of options (including a 200 h.p. V-8). And it's the only compact that offers you a full line of body styles.

It's only when you see the way it parks and the way it's priced that you might confuse it with an import!

*Manufacturer's suggested retail price for Rambler American 220 2-door. Federal tax included. Destination charges, local taxes, transfer fees and optional equipment included.

Card of Thanks 32
I WISH TO THANK my friends, neighbors and relatives for their kind expressions of sympathy, beautiful floral offerings, spiritual bouquets extended to me in the recent death of my beloved husband CHRIST ZOREK. And also for attending the funeral. Special thanks to Rev. Andrew Tolcz, U. S. Naval Reserve Firing Squad, Church Choir, pallbearers and Sedlack Funeral Home.

ROSE MARIE ZOREK 32-32

OUR SINCERE THANKS are hereby expressed to all relatives, neighbors and friends who so kindly assisted and sympathized with us in our bereavement caused by the death of our dearly beloved father STERLING M. DARNELL. Also thank the Rev. H. Holt for his kind and comforting words, the pallbearers, those who sent food, cards, flowers and spiritual memorials, and all who assisted in any way and attended the funeral. Your kindness shall always be remembered with the memory of our departed loved one.

Family of Sterling M. Darnell 32-32

The family of REV. G. B. BLOODWORTH wishes to express our sincere thanks for the many acts of kindness, messages of sympathy, and beautiful floral offerings received from our many friends and neighbors during our sorrow at the loss of our beloved husband, father, grandfather, great-grandfather, brother, and uncle. We want to give our special thanks to the Rev. Carl O'Gunn and the Rev. Thomas Parker, the D. A. B. Funeral Home, the pallbearers, the ministers who served as honorary pallbearers, the pianists and the singers, the nurses of St. Elizabeth's Hospital, and the women from the various churches for the food and the kind help given in our home. We deeply appreciate each act of love and kindness.

Mrs. G. B. Bloodworth and family 32-32

The relatives of the late VIRGINIA JOHNSON SHAW sincerely thank the friends, cards, telegrams, flowers and other expressions of sympathy.

NOTICE OF CLAIM DATE
NOTICE IS HEREBY GIVEN TO ALL PARTIES CONCERNED, that pursuant to Article 23 of Ordinance No. 175 of the City of Granite City, Illinois, the City Plan Commission will hold a public hearing in the City Council Room in the City Hall on the 17th day of March, 1967, at which meeting it will consider a petition for the amendment of Ordinance No. 175, (being the Zoning Ordinance of said city), as same affects the following-described real estate, to-wit:

(Legal description—lot or block, subdivision.)

1. Lot Numbered Twelve (12) in Block Numbered One (1), Revised Plat of Rohm Gardens, as recorded in the Recorder's Office of Madison County, Illinois, in Plat Book 11, page 54, commonly known as 2808 East 23rd Street. Zoning change from R-2 to C-1 requested.

2. Lot Number Ten (10) and the South Forty (40) Feet of Lot Number Nine (9), all in Block Number One (1), in revised Plat of ROHM GARDENS, a Subdivision, as the same appears on the plat thereof recorded in Plat Book 11, page 54, in the Recorder's Office of Madison County, Illinois; situated in the City of Granite City, County of Madison and State of Illinois.

Lot Nine (9) (except the Southern Forty (40) Feet in Block One (1) in revised Plat of Rohm Gardens, according to the plat thereof recorded in plat book 11, page 54 in the Recorder's Office of the County of Madison, State of Illinois, commonly known as 2808, 2324, and 2326 Nameki Road. "Special use permit" under Article 16 requested for this property and 2803 E. 23rd Street, above described, for use as an automobile car wash.

Said amendment would change the zoning classification of the above described real estate from R-2 and C-1 District to C-1 and "Special use permit" District.

BLUE AND GOLD BANQUET
AT MARYVILLE SCHOOL
A blue and gold banquet was held Monday evening at the Maryville school gym for Cub Pack No. 2, sponsored by the school.

Rev. Pope gave the invocation, preceding a ham and covered dish dinner. Approximately 100 people attended, including a guest, John Dorogahazi, assistant district commissioner. A flag ceremony was presented by members of Den One.

Following the dinner, Bill Davis, cubmaster, gave a talk on scouting history. A play was given, with a boy from each den participating.

Kyle McMahon, bear badge, gold arrow and two silver arrows; Mike Hand, assistant denner and scoutmaster; Duane York, recruit; Louis Mitchell, year pin; assistant den bars, Ronald Lance and Walter Evesleskog; and den bars, Allen Larson, Dan Middleton, Randy Ballew, Ricky Ballew, Mike Howard, Ken Stovall, Randy Stroder, Mark Taylor and Mike Awall.

The next committee meeting will be held March 6 at 7:30 p.m. and the next pack meeting March 27, both at the school.

Eagle Park Association Re-Schedules Election
The Eagle Park Improvement Association will hold its postponed election meeting at 8 p.m. Saturday, at the Rib Rib restaurant, 128 Roosevelt street, Eagle Park, Cleveland L. Johnson, association president, announced today.

All residents of Eagle Park are urged to attend and hear plans for installation of nine fire hydrants. An estimated \$4500 is needed.

Householders also are requested to pay their \$4 annual street-lighting assessment at Saturday's meeting. Johnson said \$80 remains to be collected to enable the cooperative street-lighting program to continue.

WANTED! MEN-WOMEN
from ages 18 and over. Prepare now for U.S. Civil Service job openings during the next 12 months.

Government positions pay high starting salaries. They provide much greater security than private employment and excellent opportunity for advancement. Many positions require little or no specialized education or experience.

But to get one of these jobs you must pass test. The competition is keen and in some cases only one out of five pass.

Harvest of Books for SIU-SW Library Begins in Area
Madison Rotarians today reminded local residents that the Harvest of Books for Loevey Library at Southern Illinois University-Southwestern Campus is now under way and will continue through March 25.

Donations of books and other library materials are now being accepted daily at all public schools in Madison and Venice, and at the Washington Theater and Lincoln Recreation Center in Granite City.

George Frangoulis, Madison Rotarian in charge of the book collection, urged residents of the area to make a survey of book shelves, attics and basements for all books not in use, as well as for other materials in which Loevey Library is interested.

These include fiction and non-fiction, professional journals, slavic books and papers, old school books prior to 1900, business catalogs, city directories, and all local history materials.

These include fiction and non-fiction, professional journals, slavic books and papers, old school books prior to 1900, business catalogs, city directories, and all local history materials.

Persons unable to transport them, to the collection depots could wait at 18 by Boy Scouts.

Purpose of the Book Harvest is a brand new campus. The collection to increase the collections of Loevey Library now have 300,000 volumes and in doubt as to whether the library are housed in a building which would want some of the books will accommodate half a million they wish to donate," Frangoulis volumes.

THIS BELIEVE
The Ancient Greeks, before the birth of Jesus Christ said: "Bring your beliefs in Harmony with each other." The Lord Jesus Christ and His Church as identified, described and defined in and by Scriptures, said: "Bring your beliefs in harmony with Truths." During the dark period of Apostasy from the Third Century A.D., the Church of the subsequent centuries said: "Bring your Beliefs in Harmony with Dogma."

There is a multi-religious movement on today that says: "Subordinate the Minor Differences and Do Not stress your Beliefs to the Disharmony of Religious Unity!"

I BELIEVE that the Lord Jesus Christ and His original Church as identified, described and defined in the Scriptures, was correct. Bring your Beliefs in Harmony with Truth.

But what is truth? We believe that this question can be answered for you in First United Pentecostal Church of Granite City, Illinois.

Humane Officer Gets Assistant

The appointment of Theodore Pritchett, 2326 West 23rd street, as assistant humane officer was approved Monday night by Granite City council members.

Pritchett, who was named by Mayor Partney, will assist Humane Officer Donald Krause during any drives against stray animals and also to relieve Krause for a few days off. It was noted the humane officer has been working seven days a week.

The new assistant is to be paid at the rate of \$2 an hour. The only objection was made by Alderman Barotski, who commented that the city would be oversteering its budget.

Other council members stressed the need to provide relief for the humane officer, and added that a transfer of funds from the sales tax reserve could cover the added costs.

The city has been hiring an assistant humane officer during summer months only, but last week the ordinance was amended to provide for an assistant the year-round.

In miscellaneous business, the council voted to renew its contract with Research Planning & Design Associates to provide consultant engineer services for the city during the city's planning year.

The retainer remains at \$3600 a year for routine engineering work and hourly scales for special projects.

The payroll for the last half of February, totaling \$44,785, was approved, and authorization was given to share the \$640 cost with military authorities to replace a fence at the city's pumping station on the Army Depot.

Daylight Saving Time Is Eight Weeks Away

Over anxious Day-Cityans who are looking forward to spring and summer have eight weeks to wait before daylight saving time starts.

Days are getting longer, but the summer fast time does not start until 2 a.m. on the last Sunday of April—the last day of that month.

Daylight time continues six months until the last Sunday in October, when the switch back to standard time is made.
